The "El Empresario," a new addition to the Magpul Tejas Gun Belt line, is crafted from specially selected full aniline leather, hand milled and drum dyed. Like the original Tejas gunbelt this full grain outer layer is backed by a supportive but flexible reinforced polymer. Cut to a narrower 1 1/4" width it maintains the gun belt rigidity with dress belt comfort, and offers stretch and sag free performance. Rigid enough to carry a holster, but comfortable enough for everyday use. Proudly made in Texas, it's not just a great gun belt... it's a great belt. Fine (blank) leather exterior layer and supportive but flexible reinforced polymer interior. Stretch and sag free performance. Standard 1.25" wide and 5 - 5.5mm thick to fit most belt loops and holsters. Eight holes with 3/4" spacing for a wide yet precise adjustment range. Made in U.S.A.
