El Empresario Tejas Gun Belt Safety Instructions

Introduction

Thank you for choosing the El Empresario Tejas Gun Belt by Magpul. This guide provides essential safety instructions to ensure the safe and effective use of your new gun belt. Please read these instructions carefully before use.

General Safety Guidelines

- Ensure that the gun belt is used only for its intended purpose, which is to support holsters and carry firearms safely.
- Regularly inspect the belt for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Always follow local laws and regulations regarding firearm carry and usage.
- Keep the gun belt out of reach of children to prevent accidental use or injury.
- In case of an emergency or unsafe situation, seek immediate assistance from local authorities.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the belt fits your waist size (42 inches) properly. A loose or tight fit can lead to discomfort or ineffective support.
- **Holster Compatibility:** Confirm that your holster is compatible with the belt's width (1.25 inches) and thickness (5.5mm) to ensure secure attachment.
- **Weight Limit:** Do not exceed the recommended weight limit for the belt. Carrying excessively heavy items may compromise safety and comfort.
- **Avoid Overloading:** Do not overload the belt with additional accessories that could affect balance or stability.
- **Adjustments:** Use the eight holes with 3/4 inch spacing for precise adjustments. Ensure that the belt is securely fastened before use.

Instructions for Installation and Usage

1. Wearing the Belt:

- Position the belt around your waist, ensuring that it sits comfortably.
- Align the buckle with the appropriate hole for a secure fit.
- Fasten the buckle and ensure it is locked in place.

2. Attaching a Holster:

- Select a holster that fits securely on the belt.
- Slide the holster onto the belt, ensuring it is positioned for easy access.
- Check that the holster is stable and does not shift while moving.

3. Adjusting the Fit:

- If the belt feels too tight or loose, adjust it by selecting a different hole in the belt.
- Make sure the adjustment allows for comfortable movement without compromising the belt's support.

4. Maintaining the Belt:

- Clean the leather exterior with a damp cloth to remove dirt and debris.

- Avoid using harsh chemicals that may damage the leather.
- Store the belt in a cool, dry place away from direct sunlight to prevent fading or cracking.

Disposal Instructions

When it is time to dispose of your El Empresario Tejas Gun Belt, please follow these guidelines:

- If the belt is damaged or no longer usable, consider recycling it if possible.
- If recycling is not an option, dispose of the belt in accordance with local waste disposal regulations.
- Ensure that any attached accessories or holsters are also disposed of properly.
