Safety Instruction Guide for AR15 Fire Control Group

Introduction

Thank you for choosing the AR15 Fire Control Group by ZRO DELTA. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm model.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Use only authorized replacement parts and accessories.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Wear appropriate safety gear, including eye and ear protection, when handling the firearm.
- Do not modify the fire control group or other firearm components unless you are a qualified gunsmith.
- Ensure that the firearm is unloaded before performing any maintenance or modifications.
- Avoid using the firearm under the influence of alcohol or drugs.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded. Remove any ammunition from the area.
2. **Disassembly:** Follow the manufacturer's instructions for disassembling your AR15. Keep track of all parts and fasteners.
3. **Remove Old Components:** Carefully remove the old fire control group from the firearm. Inspect for any damage.
4. **Install New Fire Control Group:**
 - Position the investment cast hammer in the appropriate location.
 - Insert the CNC machined, heat-treated trigger into the trigger housing.
 - Place the stamped disconnecter into its designated spot.
5. **Secure Components:** Ensure all parts are properly aligned and secured according to the manufacturer's specifications.
6. **Reassemble Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
7. **Function Check:** Before using the firearm, perform a function check to ensure proper operation.

Usage Instructions

- Always follow safe handling practices when using the firearm.
- Ensure the firearm is properly maintained for optimal performance.
- Regularly clean the fire control group to prevent malfunctions.
- If you experience any issues, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any damaged or nonfunctional components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact your local authorized dealer. Ensure you have the product details and any relevant information ready for a more efficient support experience.

By following these guidelines, you can ensure the safe operation and longevity of your AR15 Fire Control Group. Thank you for your attention to safety.
