

# AR-15 LOWER PARTS KIT - ZRO DELTA AR-15 LPK NO TRIGGER GUARD OR GRIP

[Home](#)

ELG stands for 'Enhanced Longitudinal Grind'. At the heart of this kit stands the longitudinally-ground trigger, which is ground in-line with the direction of pull along the long axis of the trigger, and then finish-polished. This grind and polish provide two significant advantages over standard mil-spec kits. First, a smoother pull with reduced grittiness and second, an enhanced basis for performing a trigger job.

## Attributes

- Name: [ZRO DELTA AR-15 LPK NO TRIGGER GUARD OR GRIP](#)
- Manufacturer: [ZRO DELTA](#)
- Product no.: 100500155
- Mfr. No.: 7035-0011-1520

# AR15 Lower Parts Kit Safety Instructions

## Introduction

Thank you for choosing the AR15 Lower Parts Kit by ZRO Delta. This product is designed to enhance your shooting experience with improved trigger performance. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's specifications.
- Keep the kit out of reach of children and vulnerable individuals to prevent accidental injury.
- Always handle firearms and their components with care, following all applicable laws and regulations.
- Regularly inspect the product for any signs of wear or damage. If any issues are found, do not use the product until it has been repaired or replaced.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Trigger Safety:** The longitudinallyground trigger is designed for smoother operation. Ensure that the trigger is properly installed and tested before use to avoid accidental discharges.
- **Installation:** Follow the installation instructions carefully. Improper installation may result in malfunction or unsafe operation.
- **Usage Environment:** Use the product in a safe environment, free from distractions and hazards. Always ensure a clear line of sight and a safe backdrop when firing.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye and ear protection, when using firearms.
- **Storage:** Store the product in a secure location when not in use. Use a safe or lockbox to prevent unauthorized access.

## Instructions for Installation and Usage

1. **Preparation:** Before beginning installation, ensure that you have all necessary tools and components included in the kit.
2. **Installation Steps:**
  - Remove the existing lower parts from your AR15 lower receiver.
  - Carefully install the longitudinallyground trigger according to the manufacturer's specifications.
  - Ensure that all components are securely fastened and functioning correctly.
  - Conduct a function test to confirm that the trigger operates smoothly without any grittiness.
3. **Usage:**
  - Load the firearm only when you are ready to shoot.
  - Keep your finger off the trigger until you are ready to fire.
  - Always point the firearm in a safe direction.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, dispose of it in a manner that prevents unauthorized use or access.
- Check local regulations for specific disposal methods for firearm components and materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Lower Parts Kit, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you contribute to a safer experience while using the AR15 Lower Parts Kit. Thank you for your attention to safety.
