# Blackhawk Enhanced Military Web Belt Safety Instructions

## Introduction

Thank you for choosing the Blackhawk Enhanced Military Web Belt. This belt is designed for durability and functionality, making it suitable for various applications, including military use. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the belt is used for its intended purpose only.
- Regularly inspect the belt for any signs of wear or damage.
- Keep the belt away from sharp objects that could cause injury or damage.
- Do not exceed the recommended weight limit when using the belt.
- Always secure the buckle properly before use to prevent accidental release.
- Store the belt in a cool, dry place when not in use to maintain its integrity.

## Specific Safety Precautions for Use

- **Weight Limit:** The belt is designed to handle heavy loads. However, avoid overloading the belt beyond its capacity to prevent failure.
- **Adjustment:** Use the hookandloop adjustment system carefully to ensure a snug fit. An improperly adjusted belt may slip or come undone.
- **Buckle Use:** Ensure the polymer side release buckle is fully engaged before use. Check that it is locked securely to avoid accidental release during activities.
- **Children and Vulnerable Groups:** This product is not intended for use by children. Keep the belt out of reach of children and ensure that it is used only by individuals who understand its function and safety precautions.

## Instructions for Installation and Usage

### 1. Adjusting the Belt:

- To adjust the belt size, open the hookandloop adjustment system.
- Slide the belt to the desired length (30" to 42").
- Secure the hookandloop system back in place to ensure a firm fit.

### 2. Using the Buckle:

- To fasten, insert the end of the belt into the polymer side release buckle.
- Pull the belt to tighten, ensuring it fits snugly around your waist.
- To release, press the side release mechanism and gently pull the belt away.

### 3. Attaching Accessories:

- The belt can be used to attach holsters, mag pouches, or other equipment.
- Ensure that any attached items are securely fastened and do not interfere with the proper use of the belt.

## **Disposal Instructions**

- Dispose of the belt in accordance with local regulations.
- If the belt is damaged beyond repair, consider recycling the nylon material if possible.
- Do not dispose of the belt in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**
