# Safety Instruction Guide for Blackhawk Instructor's Gun Belt

## Introduction

Thank you for choosing the Blackhawk Instructor's Gun Belt. This guide provides important safety information and usage instructions to ensure your safety and the proper use of the product. Please read this guide carefully before using the belt.

## General Safety Guidelines

- Ensure that the belt is suitable for your waist size (34"-41") before wearing.
- Inspect the belt regularly for signs of wear or damage, including fraying or broken buckles.
- Do not overload the belt with excessive weight that exceeds its tensile strength (7,000 lb.).
- Keep the belt away from sharp objects that may cause cuts or tears.
- Store the belt in a cool, dry place away from direct sunlight to prevent material degradation.
- If you experience any discomfort while wearing the belt, remove it immediately.

## Specific Safety Precautions for Use

- Use the belt only for its intended purpose of carrying holsters, pouches, and tactical equipment.
- Ensure that all attachments are securely fastened before use.
- Do not use the belt for climbing or any activity that requires safety harnesses.
- Children should not use the belt without adult supervision.
- Be cautious when using the belt in environments with moving machinery or vehicles.

## Instructions for Installation and Usage

### 1. Adjusting the Belt:

- Unbuckle the belt and pull the webbing to adjust it to your waist size.
- Ensure that the belt fits snugly but comfortably around your waist.

### 2. Attaching Equipment:

- Thread the holster or pouch onto the belt using the provided loops.
- Ensure that all attachments are secured and will not shift during movement.

### 3. Securing the Belt:

- Buckle the parachutegrade buckle securely.
- Pull on the belt to ensure it is fastened properly.

### 4. Wearing the Belt:

- Wear the belt over your clothing or directly on your waist, depending on your preference.
- Adjust the running end of the belt using the hook and loop fabric to prevent it from dangling.

## Disposal Instructions

- When the belt has reached the end of its usable life, dispose of it responsibly.
- Check local regulations for proper disposal methods.
- Do not burn the belt as it may release harmful fumes.
