# Safety Instruction Guide for Blackhawk SERPA CQC Holster

## Introduction

Thank you for choosing the Blackhawk SERPA CQC Holster for your Beretta 92/96. This guide provides essential safety information and instructions to ensure safe and effective use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the holster is compatible with your firearm model (Beretta 92/96).
- Always handle your firearm safely, following the basic rules of firearm safety.
- Store the holster in a secure location when not in use to prevent unauthorized access.
- Regularly inspect the holster for wear and tear, and replace it if any damage is found.
- Keep the holster away from moisture and extreme temperatures to maintain its integrity.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before inserting it into the holster.
- Avoid using the holster with firearms that have modifications or accessories that may affect fit.
- Do not force the firearm into the holster; it should fit snugly but allow for a smooth draw.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Use the holster in a manner that does not obstruct movement or create hazards to yourself or others.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable belt loop or paddle platform for attachment.
- Ensure that the attachment point is secure and stable.
- Adjust the holster position for comfort and accessibility.

### 2. Usage:

- To draw the firearm, use your index finger to press the release mechanism while simultaneously drawing the firearm.
- Practice the draw and reholstering motion in a safe environment to become familiar with the holster's operation.
- After use, always reholster the firearm carefully, ensuring that the holster is clear of any obstructions.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations regarding plastic and polymer materials.
- If the holster is damaged beyond use, consider recycling options if available in your area.
