# Safety Instruction Guide for the Blackhawk SERPA CQC Holster

## Introduction

Thank you for choosing the Blackhawk SERPA CQC Holster for your Sig Sauer 220, 225, or 226. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the holster is suitable for your specific firearm model (Sig Sauer 220, 225, 226).
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Inspect the holster regularly for any signs of wear or damage.
- Do not modify the holster in any way; alterations may compromise safety.
- Store the holster in a dry, cool place away from direct sunlight and extreme temperatures.
- Be aware of your surroundings when drawing or reholstering your firearm.

## Specific Safety Precautions for Use

- Use the holster only for its intended purpose—carrying your firearm securely and safely.
- Ensure that the firearm is securely locked in the holster before moving.
- Always use the SERPA AutoLock feature for added security.
- When drawing your firearm, keep your finger off the trigger until you are ready to shoot.
- Practice drawing and reholstering in a safe environment to become familiar with the holster's operation.
- Avoid using the holster while engaging in activities that may put you at risk of falling or dropping the firearm.
- If you experience any difficulties with the holster, cease use immediately and consult this guide.

## Instructions for Installation and Usage

### Installation

1. Choose the desired carrying position (belt loop or paddle).
2. If using the paddle, slide it onto your belt until it is secure.
3. If using the belt loop, thread your belt through the loop and ensure it is properly secured.

### Usage

- To draw the firearm:
  1. Grip the holster firmly with one hand.
  2. Use your index finger to drag along the release mechanism while simultaneously pulling the firearm upward.
  3. Keep your finger off the trigger until you are ready to fire.
- To reholster:
  1. Ensure the area is clear of obstructions.
  2. Align the firearm with the holster opening.
  3. Slide the firearm back into the holster until you hear a click, indicating it is secured.

## **Disposal Instructions**

When disposing of the holster, please follow local regulations regarding the disposal of plastic and synthetic materials. If the holster is damaged or no longer in use, consider recycling where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Blackhawk SERPA CQC Holster, please reach out to the designated EUbased contact point associated with this product.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe use of your Blackhawk SERPA CQC Holster. Always prioritize safety and remain vigilant when handling firearms. Thank you for your attention to these important safety instructions.
