

AR-15 NO-LATCH CHARGING HANDLE AMBIDEXTROUS - BLACKHAWK AR-15 NO-LATCH AMBI CHARGING HANDLE, BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Speeds Reloads & Clears Malfunctions Faster

Blackhawk's No-Latch Ambidextrous Charging Handle is a drop-in peerformance upgrade for any AR-15 that gives the shooter full ambidextrous control for fast charging of the rifle or malfunction clearance. Using a leaf spring built into the handle itself, the innovative Blackhawk No-Latch Ambidextrous Charging Handle eliminates the need to squeeze that small latch found on the standard handle. Operate the handle from any position - left, right, standing, prone Oversized, overmolded polymer lever with aggressive grip texture Sturdy machined 7075 aluminum frame for long-term reliability The Blackhawk No-Latch Ambidextrous Charging Handle's oversized polymer lever enhances weapon control, yet easily clears low-set optics.

Safety Instruction Guide for Blackhawk AR15 NoLatch Ambidextrous Charging Handle

Introduction

Thank you for choosing the Blackhawk AR15 NoLatch Ambidextrous Charging Handle. This guide provides important safety information, installation instructions, and usage precautions to ensure your safety and the proper functioning of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 model before installation.
- Always handle firearms with care and in accordance with safety regulations.
- Keep the charging handle and firearm out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage.
- Use the charging handle only for its intended purpose.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or using the charging handle.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Do not attempt to modify or disassemble the charging handle.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the upper receiver by following the manufacturer's instructions.
3. Align the Blackhawk NoLatch Ambidextrous Charging Handle with the receiver and insert it into the appropriate slot.
4. Ensure the charging handle is securely in place and functions smoothly before use.

Usage

- To operate the charging handle, grip the oversized polymer lever with your dominant hand.
- Pull the lever back to charge the rifle or clear a malfunction.
- The ambidextrous design allows operation from either side of the firearm.
- Always maintain a proper grip and control while using the charging handle.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with

your product packaging.

Thank you for following these safety guidelines. Your safety and the safe operation of your firearm are of utmost importance.
