

AR-15 NO-LATCH CHARGING HANDLE AMBIDEXTROUS - BLACKHAWK AR-15 NO-LATCH AMBI CHARGING HANDLE, GRAY

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Speeds Reloads & Clears Malfunctions Faster

Blackhawk's No-Latch Ambidextrous Charging Handle is a drop-in peerformance upgrade for any AR-15 that gives the shooter full ambidextrous control for fast charging of the rifle or malfunction clearance. Using a leaf spring built into the handle itself, the innovative Blackhawk No-Latch Ambidextrous Charging Handle eliminates the need to squeeze that small latch found on the standard handle. Operate the handle from any position - left, right, standing, prone Oversized, overmolded polymer lever with aggressive grip texture Sturdy machined 7075 aluminum frame for long-term reliability The Blackhawk No-Latch Ambidextrous Charging Handle's oversized polymer lever enhances weapon control, yet easily clears low-set optics.

Safety Instructions for the Blackhawk AR15 NoLatch Ambidextrous Charging Handle

Introduction

Thank you for choosing the Blackhawk AR15 NoLatch Ambidextrous Charging Handle. This product is designed to enhance your shooting experience by providing full ambidextrous control for charging your rifle and clearing malfunctions. Please read this safety instruction guide carefully to ensure safe and effective use of the charging handle.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always be aware of your surroundings and ensure a safe backdrop when handling firearms.
- Ensure that the charging handle is securely installed before use.
- Regularly inspect your charging handle for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and safety.
- Store firearms and accessories in a secure location, out of reach of unauthorized persons, especially children.

Specific Safety Precautions for Use

- Use the charging handle only with compatible AR15 platforms.
- Do not attempt to modify or alter the charging handle in any way.
- Ensure that the rifle is pointed in a safe direction when operating the charging handle.
- Be cautious when operating the charging handle from different positions (standing, prone, etc.) to avoid accidental discharge.
- If the charging handle becomes stuck or difficult to operate, do not force it. Check for obstructions or malfunctions.
- Always wear appropriate eye protection when using firearms.

Instructions for Installation and Usage

Installation

1. Ensure the rifle is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the upper receiver of your AR15.
3. Align the Blackhawk NoLatch Ambidextrous Charging Handle with the receiver.
4. Insert the charging handle into the receiver until it is fully seated.
5. Test the operation of the charging handle to ensure it moves freely.

Usage

- To charge the rifle, grasp the oversized polymer lever with either hand and pull it back to the rear.
- Release the lever to allow it to return to its original position.
- For malfunction clearance, operate the charging handle in the same manner.
- Always ensure that the rifle is in a safe position while performing these actions.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of any part of the charging handle in regular household waste.

- Consider recycling options for materials such as aluminum and polymer.

Contact Information for Further Support

For any questions or concerns regarding the Blackhawk AR15 NoLatch Ambidextrous Charging Handle, please refer to the manufacturer's website or customer service for further assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Blackhawk AR15 NoLatch Ambidextrous Charging Handle. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important guidelines.
