Speeds Reloads & Clears Malfunctions Faster

Blackhawk's No-Latch Ambidextrous Charging Handle is a drop-in performance upgrade for any AR-15 that gives the shooter full ambidextrous control for fast charging of the rifle or malfunction clearance. Using a leaf spring built into the handle itself, the innovative Blackhawk No-Latch Ambidextrous Charging Handle eliminates the need to squeeze that small latch found on the standard handle. Operate the handle from any position - left, right, standing, prone Oversized, overmolded polymer lever with aggressive grip texture Sturdy machined 7075 aluminum frame for long-term reliability The Blackhawk No-Latch Ambidextrous Charging Handle's oversized polymer lever enhances weapon control, yet easily clears low-set optics.

Safety Instruction Guide for Blackhawk AR15 NoLatch Charging Handle

Introduction

Thank you for choosing the Blackhawk AR15 NoLatch Charging Handle. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to fire.
- Ensure the firearm is pointed in a safe direction at all times.
- Familiarize yourself with the operation of your AR15 and the charging handle before use.
- Store the charging handle and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before each use.
- Do not use the charging handle if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- The NoLatch Ambidextrous Charging Handle is designed for use with AR15 platforms only. Do not use it with any other firearm.
- Ensure that the charging handle is properly installed before use.
- Be aware of your surroundings and ensure that no one is in your line of fire when using the firearm.
- Use the charging handle with both hands for better control and stability during operation.
- Avoid using excessive force when operating the charging handle to prevent damage to the firearm or the handle itself.
- If you experience any malfunctions while using the charging handle, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from your AR15 by pulling back the upper receiver and releasing the standard charging handle.
3. Insert the Blackhawk NoLatch Ambidextrous Charging Handle into the upper receiver.
4. Ensure the charging handle is seated properly and securely in place.
5. Test the operation of the charging handle by pulling it back to ensure it functions smoothly.

Usage

- To charge the rifle, grip the oversized polymer lever with either hand and pull back to the rear.
- Release the lever to allow it to return to the forward position.
- To clear a malfunction, repeat the charging process as needed.
- Always ensure that your hands are clear of the ejection port when operating the charging handle.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal and plastic waste.
- Do not discard the charging handle in regular household waste.
- If the charging handle is damaged beyond repair, contact your local waste management facility for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Blackhawk AR15 NoLatch Charging Handle, please reach out to the designated contact point provided with your product at the time of purchase.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Blackhawk AR15 NoLatch Charging Handle. Always prioritize safety and proper handling practices when using firearms. Thank you for your commitment to responsible firearm ownership.
