

REMINGTON 870 KNOXX SPECOPS GENIII BUTTSTOCK - BLACKHAWK KNOXX SPECOPS STOCK GEN III REMINGTON 870

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Adjustable Stock Dramatically Reduces Felt Recoil

The Blackhawk Knoxx SpecOps Gen III Stock for the Remington 870 reduces felt recoil by up to 80%! Incorporating dual recoil-compensation systems, this rugged synthetic stock reduces muzzle rise and eliminates cheek-slap, too, resulting in improved shooter confidence. With improved ergonomics and six convenient adjustment positions, a shooter of any stature can benefit from the SpecOps Stock Gen III in any application, with any load. Two-stage recoil reduction system absorbs the kick that can lead to the shooter developing a flinch. Straight cheekweld for reduced cheek slap. L.O.P. adjusts from 12.5" to 15.2". Easy installation. Compatible with receiver-mounted shell carriers. Fits Remington 870, 12 gauge only. The Blackhawk Knoxx SpecOps Gen III Stock for the Remington 870 also comes with an ergonomic pistol grip optimized for tactical shooting techniques, plus an integral handstop in the forend and Picatinny-style accessory mount. It offers several sling mounting locations for easy carry.

Safety Instruction Guide for the Blackhawk Knoxx SpecOps Gen III Stock for Remington 870

Introduction

Thank you for choosing the Blackhawk Knoxx SpecOps Gen III Stock for your Remington 870. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before installation and usage.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the stock and firearm for any signs of wear or damage.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.

Specific Safety Precautions for Use

- **Recoil Management:** The Knoxx SpecOps Stock is designed to reduce felt recoil by up to 80%. However, always practice proper shooting techniques to minimize the risk of developing a flinch.
- **Cheek Weld:** Use a straight cheek weld to avoid cheek slap during firing, which can cause discomfort or injury.
- **Adjustable Length of Pull (L.O.P.):** Adjust the L.O.P. from 12.5" to 15.2" to fit your stature. Ensure that the stock is securely locked in place after adjustment.
- **Installation:** Follow the installation instructions carefully to ensure that the stock is properly mounted on your Remington 870.
- **Compatibility:** This stock is designed for use with the Remington 870, 12 gauge only. Do not attempt to use it with other firearms.
- **Sling Mounting:** Utilize the provided sling mounting locations for safe and convenient carrying of your firearm.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required equipment.
2. **Remove the Old Stock:** Carefully detach the existing stock from the Remington 870 by following the manufacturer's instructions.
3. **Attach the Knoxx SpecOps Stock:**
 - Align the stock with the receiver of the firearm.
 - Securely fasten the stock to the receiver using the provided screws.
4. **Adjust Length of Pull:** Set the L.O.P. according to your preference, ensuring it is locked in place.
5. **Check Stability:** Ensure that the stock is firmly attached and does not wobble or move.

Usage Guidelines

- Always perform a function check before using the firearm to ensure that it operates correctly with the new stock.
- Practice shooting in a controlled environment to become familiar with the stock's recoil reduction capabilities.
- Regularly clean and maintain the stock to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When it is time to dispose of the stock, check with local waste management services for proper disposal methods for synthetic materials.
- Do not incinerate the stock, as it may release harmful fumes.

Contact Information for Further Support

For questions or concerns regarding the Blackhawk Knoxx SpecOps Gen III Stock or safety inquiries, please consult the manufacturer's website or contact their customer support team.

By following these guidelines, you can ensure a safer and more enjoyable experience with your Blackhawk Knoxx SpecOps Gen III Stock for Remington 870. Thank you for prioritizing safety and responsible firearm use.
