Carry Two Spare Mags in the Space Required for One

The Strike AR-15 2-Mag Pouch from Blackhawk holds two spare 30-round magazines in a single pocket, allowing you to have two fully loaded mags available while giving up the belt/pack real estate normally required for one. Constructed of 500 denier nylon, the Blackhawk Strike AR-15 2-Mag Pouch fitted with integral straps for attaching it to Blackhawk S.T.R.I.K.E. or PALS/MOLLE gear. Hook-and-loop flap closure keeps mags in the pouch and protects them from dirt and debris. Grommets in the pouch bottom allows drainage of water. Versatile mag pouch ready in any situation. Blackhawk's rugged Strike AR-15 2-Mag Pouch protects your mags from the elements and ensures they'll be ready when you need them.

Safety Instruction Guide for the AR15 STRIKE DOUBLE MAG POUCH

Introduction

Thank you for purchasing the AR15 STRIKE DOUBLE MAG POUCH from Blackhawk. This product is designed to securely hold two spare 30round magazines, providing convenient access while minimizing the space required. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose of holding AR15 magazines.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch away from children and vulnerable individuals.
- Store the pouch in a cool, dry place when not in use.
- Report any unsafe conditions or product failures to the appropriate authorities.

Specific Safety Precautions for Use

- Always check that the hookandloop flap closure is secure before moving to prevent accidental magazine loss.
- Avoid overloading the pouch beyond its intended capacity, as this may compromise its integrity and safety.
- Ensure that the pouch is properly attached to your gear to prevent it from detaching during use.
- Do not expose the pouch to extreme temperatures, chemicals, or sharp objects that may cause damage.
- When using the pouch in wet conditions, ensure the drainage grommets are unobstructed to allow for proper water drainage.

Instructions for Installation and Usage

1. Attachment:

- Use the integral straps to securely attach the pouch to Blackhawk S.T.R.I.K.E. or PALS/MOLLE gear.
- Ensure that the pouch is firmly secured and does not move when pulled or pushed.

2. Loading Magazines:

- Open the hookandloop flap to access the pouch.
- Insert the magazines into the pouch, ensuring they are positioned securely.
- Close the flap to protect the magazines from dirt and debris.

3. Maintaining the Pouch:

- Regularly clean the pouch using a damp cloth and mild soap if necessary.
- Allow the pouch to air dry completely before storing it.

4. Storage:

- When not in use, store the pouch in a cool, dry location away from direct sunlight.
- Ensure that the pouch is empty and clean before storage.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding textile and nylon materials.
- If the pouch is damaged beyond repair, consider recycling it if possible, or dispose of it in a waste bin designated for nonrecyclable materials.
