# Safety Instruction Guide for Blackhawk Single Pistol Mag Pouch

## Introduction

Thank you for choosing the Blackhawk Single Pistol Mag Pouch. This product is designed to provide secure storage for your spare pistol magazine while ensuring ease of access during use. This safety instruction guide outlines important safety guidelines, precautions, and instructions for the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pouch is used solely for its intended purpose: to hold a spare pistol magazine.
- Regularly inspect the pouch for signs of wear and tear, including fraying or damage to the nylon material.
- Keep the pouch away from extreme heat and open flames to prevent damage to the nylon.
- Store the pouch in a dry place to avoid moisture accumulation that may lead to mold or degradation.
- Always ensure that the pouch is securely attached to your belt or tactical gear before use.

## Specific Safety Precautions for Use

- Do not exceed the pouch's capacity; it is designed to hold one doublestack pistol magazine.
- Ensure that the magazine is properly seated within the pouch and that the hookandloop flap is securely closed.
- Avoid placing the pouch in locations where it could be accidentally snagged or caught.
- Always check that the grommets at the bottom of the pouch are clear to allow for drainage if the pouch gets wet.
- Keep the pouch and its contents out of reach of children and vulnerable individuals.

## Instructions for Installation and Usage

### • Installation:

1. Choose a suitable location on your belt or tactical gear where you want to attach the pouch.
2. Align the pouch with the S.T.R.I.K.E or PALS/MOLLE webbing.
3. Slide the attachment straps through the webbing and secure them tightly.
4. Ensure that the pouch is firmly attached and does not move when pulled.

### • Usage:

1. Open the hookandloop sealed top flap to access the magazine compartment.
2. Insert the doublestack pistol magazine into the pouch, ensuring it is fully seated.
3. Close the top flap securely to keep the magazine in place and protected from dirt and debris.
4. To remove the magazine, open the flap and gently pull the magazine out.

## Disposal Instructions

- Dispose of the pouch responsibly at the end of its life cycle.
- If the pouch is damaged or no longer needed, consider recycling the nylon material where facilities exist.
- Do not dispose of the pouch in regular household waste if it is contaminated with hazardous materials.

## **Contact Information for Further Support**
