# Universal Blackhawk Suppressor Tool Safety Instruction Guide

## Introduction

Thank you for choosing the Universal Blackhawk Suppressor Tool. This tool is designed to assist you in the safe disassembly and reassembly of Blackhawk suppressors. Please read this safety instruction guide carefully to understand the proper use and maintenance of the tool to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that you are in a safe environment when using the suppressor tool.
- Always wear appropriate personal protective equipment, such as safety glasses and gloves, when handling the tool and suppressors.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of damage or wear before use.
- Do not use the tool for any purpose other than intended.
- In case of an emergency or unsafe condition, stop using the tool immediately and seek assistance.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from improper handling of the tool.
- Risk of damage to the suppressor if excessive force is applied.
- Risk of personal injury if the suppressor is not properly secured during use.

### • Avoiding Hazards:

- Always ensure that the suppressor is securely attached to the firearm before attempting to adjust or remove it.
- Do not apply excessive force when using the tool; if resistance is felt, stop and reassess the situation.
- Ensure that the tool is properly aligned with the suppressor before applying torque.

### • Age Specific Warnings:

- This tool is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that any users under 18 are trained in the safe use of the tool by a responsible adult.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the suppressor from the firearm if it is already attached.

### 2. Using the Tool:

- Align the Universal Blackhawk Suppressor Tool with the suppressor's mounting points.
- Gently insert the tool and ensure it is securely seated.
- To disassemble, turn the tool counterclockwise; to assemble, turn it clockwise.
- Apply gentle, even pressure while turning the tool. If you encounter resistance, stop and check for

alignment.

### **3. PostUse:**

- After use, clean the tool and suppressor as needed.
- Store the tool in a safe and secure location.

## **Disposal Instructions**

- Dispose of the Universal Blackhawk Suppressor Tool in accordance with local regulations.
- If the tool is damaged or no longer functional, consider recycling it if possible.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or concerns about the Universal Blackhawk Suppressor Tool, please reach out to the designated EU contact point for assistance.

Please ensure that you follow these guidelines to maintain safety while using the Universal Blackhawk Suppressor Tool. Your safety and the safety of those around you is our top priority. Thank you for your attention to these important instructions.
