

# ASR HYBRID MUZZLE BRAKE .46 - SILENCERCO HYBRID 5/8X32 ASR MUZZLE BRAKE .46

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Reduces Recoil AND Make Mounting a Suppressor Easy

SilencerCo's Hybrid ASR muzzle brake makes changing suppressors a simple, one-handed, on-and-off operation. This 3-port muzzle brake works with SilencerCo sound suppressors that use the Active Spring Retention (ASR) mounting system, including Specwar, Saker, Omega, Hybrid, and Harvester Big Bore ASR silencers. .46" opening accommodates a variety of calibers Available with 5/8"-32 and 5/8"-36 thread pitches Stainless steel construction resists blast erosion Tough black nitride finish Comes with shims for easy installation When used alone, without a silencer attached, the SilencerCo Hybrid ASR muzzle brake effectively reduces felt recoil and muzzle climb to help you stay on target even during unsuppressed fire.

## Attributes

- Name: [SILENCERCO HYBRID 5/8X32 ASR MUZZLE BRAKE .46](#)
- Manufacturer: [SILENCERCO](#)
- Product no.: 100500315
- Mfr. No.: AC1557
- Finish: Black
- Material: Stainless Steel
- Threads: 5/8-32
- Delivery weight: 0.113kg
- Shipping height: 36mm
- Shipping width: 38mm
- Shipping length: 99mm
- UPC: 817272000000

# Safety Instruction Guide for ASR Hybrid Muzzle Brake

## Introduction

Thank you for choosing the ASR Hybrid Muzzle Brake by SilencerCo. This guide provides essential safety information and instructions for the proper use and care of your muzzle brake. Please read this document carefully to ensure safe operation and maintenance.

## General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Ensure that the muzzle brake is compatible with your specific firearm model and suppressor.
- Follow all local laws and regulations regarding the use of muzzle brakes and suppressors.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before use.
- If you experience any malfunctions or concerns, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Recoil Management:** The ASR Hybrid Muzzle Brake is designed to reduce felt recoil and muzzle climb. However, it is essential to maintain a firm grip on the firearm while shooting.
- **Hearing Protection:** Always wear appropriate hearing protection when firing your firearm, as muzzle brakes can increase noise levels.
- **Shooting Environment:** Ensure you are in a safe shooting environment, away from people and property. Always be aware of your surroundings.
- **Use with Suppressor:** When using the muzzle brake with a suppressor, ensure it is securely attached using the ASR mounting system to prevent detachment during firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select the appropriate thread pitch (5/8"32 or 5/8"36) for your firearm.
- Clean the threads on the muzzle of your firearm to remove any debris.
- Align the muzzle brake with the threads and handtighten it clockwise.
- Use a wrench to secure the muzzle brake, ensuring it is snug but not overtightened.
- If necessary, use the provided shims to achieve the desired alignment.

### 2. Usage:

- Before firing, doublecheck that the muzzle brake is securely attached.
- Follow your firearm's operating procedures for loading and firing.
- After firing, inspect the muzzle brake for any signs of wear or damage.
- Clean the muzzle brake regularly to maintain performance.

## Disposal Instructions

- Dispose of the ASR Hybrid Muzzle Brake in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for any recycling programs or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ASR Hybrid Muzzle Brake, please reach out to the manufacturer or your point of purchase for assistance. Always ensure that you have the product information ready when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ASR Hybrid Muzzle Brake. Thank you for your attention to safety.
