# VULCAN SUPPRESSOR POUCH SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ColeTAC Vulcan Suppressor Pouch. This pouch is designed to provide a safe and convenient method for storing your suppressor. It is lined with a proprietary fireresistant material rated to 1800°F, allowing you to handle your suppressor without waiting for it to cool down. This guide will provide essential safety instructions and usage guidelines to ensure your safety and the longevity of the product.

## General Safety Guidelines

- Always ensure the pouch is used in accordance with the manufacturer's instructions.
- Inspect the pouch regularly for any signs of damage or wear.
- Do not exceed the specified size limits for suppressors (up to 9" long and 1.75" in diameter).
- Keep the pouch out of reach of children and vulnerable individuals.
- Always use the pouch in a wellventilated area to avoid any buildup of harmful fumes.
- Report any unsafe product performance or defects to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the suppressor is not excessively hot before placing it in the pouch to avoid potential burns.
- Do not use the pouch for items other than suppressors.
- Avoid exposing the pouch to open flames or extreme heat sources.
- Do not attempt to modify or alter the pouch in any way.
- Always check that the pouch is securely closed before handling.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the suppressor is within the size limits of the pouch.
- Check that the pouch is clean and free from any debris.

### 2. Using the Pouch

- Slide the pouch over the hot suppressor carefully.
- Unscrew the suppressor from the firearm while it is still in the pouch.
- Once unscrewed, close the pouch securely to prevent any accidental exposure.

### 3. Storage

- Store the pouch in a cool, dry place when not in use.
- Ensure that the pouch is not placed under heavy objects that could cause deformation.

### 4. Cleaning

- Clean the exterior of the pouch with a damp cloth as needed.
- Avoid using harsh chemicals or solvents that could damage the material.

## Disposal Instructions

- Dispose of the pouch in accordance with local waste disposal regulations.

- If the pouch is damaged beyond use, ensure that it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the ColeTAC Vulcan Suppressor Pouch, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for prioritizing safety and following these guidelines. Enjoy using your ColeTAC Vulcan Suppressor Pouch responsibly.
