# Safety Instruction Guide for Hill & Mac Gunworks Sturmgewehr Handguard Removal Tool

## Introduction

Thank you for choosing the Hill & Mac Gunworks Sturmgewehr Handguard Removal Tool. This tool is designed to assist owners of Sturmgewehr rifles in safely removing the handguard for maintenance. It is essential to follow all safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure that the tool is used only by individuals who are familiar with the operation of firearms.
- Store the tool in a safe place, out of reach of children and unauthorized users.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when using the tool.
- Be aware of your surroundings and ensure that the area is clear of obstructions and bystanders.

## Specific Safety Precautions for Use

- Only use the tool for its intended purpose: removing the handguard from a Sturmgewehr rifle.
- Ensure the rifle is unloaded and pointed in a safe direction before beginning any maintenance.
- Do not apply excessive force when using the tool, as this may cause damage to the handguard or the rifle.
- If you encounter resistance while using the tool, stop and reassess the situation. Do not force the tool.
- Keep hands and other body parts away from moving parts during operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and in a safe position.
- Gather your tool and any additional equipment needed for maintenance.

### 2. Inserting the Tool:

- Locate the opening on the bottom of the handguard.
- Carefully insert the Hill & Mac Gunworks Sturmgewehr Handguard Removal Tool into the opening.

### 3. Removing the Handguard:

- Once the tool is securely inserted, gently turn the tool in the direction of the receiver.
- The handguard should begin to loosen. If you feel resistance, stop and check for any obstructions.
- Continue turning the tool until the handguard is fully detached from the rifle.

### 4. PostUse:

- After removing the handguard, carefully remove the tool from the opening.
- Store the tool in a safe location for future use.

## Disposal Instructions

- Dispose of the tool according to local regulations for metal products.
- If the tool is damaged beyond repair, do not attempt to fix it. Dispose of it responsibly to prevent potential hazards.

## Contact Information for Further Support

For any inquiries or support regarding the Hill & Mac Gunworks Sturmgewehr Handguard Removal Tool, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Hill & Mac Gunworks Sturmgewehr Handguard Removal Tool. Thank you for prioritizing safety in your firearm maintenance practices.
