

FOUNDATION SERIES MOLLE BELTS - BLACKHAWK MEDIUM/LARGE (39"-49") INNER BELT, BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

Lightweight, low profile, tough and comfortable. These, among others are some of the best words to describe the Foundation Series Gunbelt. The Inner Belt is designed to interface directly with the Foundation Series Outer belt by way of hook and loop. The exterior surface of the Foundation Series Inner Belt is lined with loop and serves as a comfortable trouser belt when the user is not wearing their gunbelt. When the need arises to don your Foundation Gunbelt, simply mate the hook portion of the gunbelt with the loop portion of the Foundation Series Inner Belt to create a fast and secure marriage between the two. The base layer of the Outer Belt is constructed of double layer, rugged scuba webbing. This double layer of webbing provides the supportive backbone of the system, delivering exceptional gear stability in austere environments. The outer layer of the Foundation Series Gunbelt offers an over-sewn 1000D/500D laminate nylon with laser cut MOLLE accessory mounting interface. The interior surface is sewn with male hook to mate with your Foundation Inner Belt and provide a secure, all-day gunbelt platform that is perfect for professional use or active range training.

FOUNDATION SERIES MOLLE BELTS BLACKHAWK MEDIUM/LARGE (39"49") INNER BELT, BLACK

Safety Instruction Guide

Introduction

Thank you for choosing the Foundation Series MOLLE Belts by BLACKHAWK. This guide provides important safety instructions to ensure the safe use of your gunbelt. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the belt for any visible damage or wear before each use.
- Ensure the belt is properly secured before engaging in any activities.
- Do not use the belt for any purpose other than intended.
- Keep the belt away from children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the belt fits within the specified waist size (Medium/Large: 39"49"). An improper fit may lead to discomfort or ineffective use.
- **Weight Limit:** Do not exceed the recommended weight capacity of the belt to maintain its structural integrity.
- **Avoid Sharp Objects:** Keep sharp objects away from the belt to prevent damage to the material.
- **Moisture Exposure:** Avoid prolonged exposure to moisture, as it may affect the durability of the materials used in the belt.
- **Use with Compatible Gear:** Only use the belt with compatible accessories designed for the MOLLE system to ensure safety and functionality.

Instructions for Installation and Usage

1. Wearing the Inner Belt:

- Thread the Inner Belt through your trousers' belt loops.
- Adjust the belt to a comfortable fit and secure it.

2. Attaching the Outer Belt:

- Align the hook portion of the Outer Belt with the loop portion of the Inner Belt.
- Press firmly to secure the two belts together.

3. Adjusting for Comfort:

- After securing both belts, adjust the fit as necessary for comfort and support.
- Ensure that the Outer Belt does not shift during movement.

4. Removing the Belt:

- To remove, simply separate the hook and loop sections by pulling them apart gently.
- Remove the Inner Belt from your trousers after detaching the Outer Belt.

Disposal Instructions

- Dispose of the product in accordance with local regulations for textile waste.
- If the belt is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the belt in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your Foundation Series MOLLE Belt!
