

# FOUNDATION SERIES MOLLE BELTS - BLACKHAWK SMALL/MEDIUM (29"-39") INNER BELT, BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

Lightweight, low profile, tough and comfortable. These, among others are some of the best words to describe the Foundation Series Gunbelt. The Inner Belt is designed to interface directly with the Foundation Series Outer belt by way of hook and loop. The exterior surface of the Foundation Series Inner Belt is lined with loop and serves as a comfortable trouser belt when the user is not wearing their gunbelt. When the need arises to don your Foundation Gunbelt, simply mate the hook portion of the gunbelt with the loop portion of the Foundation Series Inner Belt to create a fast and secure marriage between the two. The base layer of the Outer Belt is constructed of double layer, rugged scuba webbing. This double layer of webbing provides the supportive backbone of the system, delivering exceptional gear stability in austere environments. The outer layer of the Foundation Series Gunbelt offers an over-sewn 1000D/500D laminate nylon with laser cut MOLLE accessory mounting interface. The interior surface is sewn with male hook to mate with your Foundation Inner Belt and provide a secure, all-day gunbelt platform that is perfect for professional use or active range training.

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Foundation Series MOLLE Belt by BLACKHAWK. This product is designed to provide a safe, comfortable, and effective solution for carrying gear in various environments. To ensure your safety and satisfaction, please read and follow this safety instruction guide carefully.

### General Safety Guidelines

- **Product Safety:** This product is designed for safe use and adheres to the EU General Product Safety Regulation (GPSR). It is crucial to follow the guidelines to minimize risks associated with its use.
- **Enhanced Recalls:** Stay informed about any product recalls. In case of safety concerns, standardized recall notices will be provided, along with free remedies for affected products.
- **Online Shopping:** Whether purchased online or in a physical store, this product meets all safety requirements mandated for consumer goods.
- **Special Consumer Focus:** Extra care is taken to ensure the safety of vulnerable groups. This product is not intended for use by children under the age of 14.
- **EU Contact Point:** For any safety inquiries, there is an EU-based contact available to assist you.
- **Rapid Alerts:** Be aware that updates on unsafe products are communicated quickly through the Safety Gate system.

### Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the belt fits correctly around your waist (29"39" for Small/Medium). An improper fit may lead to discomfort or ineffective use.
- **Weight Limit:** Do not exceed the recommended weight limit for the belt. Overloading may compromise safety and performance.
- **Avoid Sharp Objects:** When wearing the belt, avoid contact with sharp objects that may cause injury or damage to the belt.
- **Inspect Regularly:** Check the belt regularly for signs of wear, damage, or malfunction. Do not use if the belt is compromised.
- **Use as Intended:** This belt is designed for tactical use. Avoid using it for purposes not intended by the manufacturer.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the Foundation Series Outer Belt ready for attachment.
- Ensure the Inner Belt is clean and free from debris.

#### 2. Attaching the Inner Belt:

- Thread the Inner Belt through your trousers' belt loops as you would with a standard belt.
- Adjust the Inner Belt to fit snugly around your waist.

#### 3. Connecting to the Outer Belt:

- Position the Outer Belt over the Inner Belt.
- Align the hook portion of the Outer Belt with the loop portion of the Inner Belt.
- Press firmly to secure the connection.

#### 4. **Securing the Outer Belt:**

- Ensure the Outer Belt is properly seated and adjusted for comfort.
- Check that the connection between the Inner and Outer Belts is secure before use.

#### 5. **Dismounting the Belt:**

- To remove the Outer Belt, gently pull the hook portion away from the loop portion of the Inner Belt.
- Remove the Inner Belt from your trousers by unthreading it from the belt loops.

### **Disposal Instructions**

- **Recycling:** Dispose of the belt in accordance with local recycling regulations. The materials used in this product may be recyclable.
- **Waste Disposal:** If recycling is not an option, dispose of the belt in general waste. Ensure it is cut or broken to prevent accidental reuse.
