

# FOUNDATION SERIES MOLLE BELTS - BLACKHAWK MEDIUM (34"-39") MOLLE OUTER BELT, BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

Lightweight, low profile, tough and comfortable. These, among others are some of the best words to describe the Foundation Series Gunbelt. The Inner Belt is designed to interface directly with the Foundation Series Outer belt by way of hook and loop. The exterior surface of the Foundation Series Inner Belt is lined with loop and serves as a comfortable trouser belt when the user is not wearing their gunbelt. When the need arises to don your Foundation Gunbelt, simply mate the hook portion of the gunbelt with the loop portion of the Foundation Series Inner Belt to create a fast and secure marriage between the two. The base layer of the Outer Belt is constructed of double layer, rugged scuba webbing. This double layer of webbing provides the supportive backbone of the system, delivering exceptional gear stability in austere environments. The outer layer of the Foundation Series Gunbelt offers an over-sewn 1000D/500D laminate nylon with laser cut MOLLE accessory mounting interface. The interior surface is sewn with male hook to mate with your Foundation Inner Belt and provide a secure, all-day gunbelt platform that is perfect for professional use or active range training.

# FOUNDATION SERIES MOLLE BELTS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FOUNDATION SERIES MOLLE BELT by BLACKHAWK. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the belt.

## General Safety Guidelines

- Ensure that the belt is used only for its intended purpose as a tactical gunbelt.
- Regularly inspect the belt for any signs of wear, damage, or malfunction before each use.
- Keep the belt out of reach of children and vulnerable individuals to prevent accidents.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer for guidance.
- Store the belt in a cool, dry place away from direct sunlight to prevent material degradation.

## Specific Safety Precautions for Use

- Always ensure that the belt is properly secured around your waist before engaging in any activities.
- Avoid overloading the belt with excessive gear or equipment, as this may compromise its structural integrity.
- When using the MOLLE attachment points, ensure that all accessories are securely fastened to prevent them from detaching during use.
- Be cautious of sharp edges or protruding components from attached accessories that may cause injury.
- If wearing the belt during physical activities, ensure that it fits snugly but comfortably to avoid chafing or discomfort.

## Instructions for Installation and Usage

### 1. Fitting the Inner Belt:

- Place the Inner Belt around your waist and secure it using the hook and loop fastener.
- Ensure that the Inner Belt is snug but comfortable.

### 2. Attaching the Outer Belt:

- Align the hook portion of the Outer Belt with the loop portion of the Inner Belt.
- Press firmly to secure the two belts together, ensuring a tight and stable fit.

### 3. Adjusting the Fit:

- If necessary, adjust the Outer Belt for a better fit by repositioning it on the Inner Belt.
- Ensure that the belt does not restrict movement or cause discomfort.

### 4. Using MOLLE Attachments:

- Select the desired accessories to attach to the MOLLE interface on the Outer Belt.
- Thread the accessory straps through the MOLLE webbing and secure them tightly.
- Doublecheck that all accessories are firmly attached before use.

## **Disposal Instructions**

- Dispose of the belt in accordance with local regulations regarding textile waste.
- If the belt is damaged beyond repair, consider recycling the materials if possible.
- Do not incinerate the belt, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FOUNDATION SERIES MOLLE BELT, please contact BLACKHAWK directly through their official channels.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the FOUNDATION SERIES MOLLE BELT!
