Safety Instruction Guide for BLACKHAWK FOUNDATION SERIES 7.62 MAGAZINE POUCH

Introduction

Thank you for choosing the BLACKHAWK FOUNDATION SERIES 7.62 MAGAZINE POUCH. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine pouch. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine pouch is used for its intended purpose only, which is to securely hold SR25/AR10 magazines or similarsized items.
- Inspect the pouch regularly for any signs of wear or damage. Do not use if any part of the pouch is compromised.
- Keep the pouch out of reach of children and vulnerable individuals to prevent accidents.
- Always follow local laws and regulations regarding the carrying and use of magazines and related equipment.

Specific Safety Precautions for Use

- When adjusting the shock cord, ensure that it is secure but not overly tight, as this may lead to difficulty in removing magazines.
- Be cautious when removing magazines from the pouch to avoid accidental discharge or injury.
- Ensure that the MOLLE attachments are properly secured before use to prevent accidental detachment during activities.
- Avoid overloading the pouch with excessive weight, which may lead to failure or damage.

Instructions for Installation and Usage

1. Installation:

- Identify the desired location on your gear for attaching the magazine pouch.
- Use the MOLLE tuck straps to weave the pouch onto your gear. Ensure that the polymer stiffener is properly positioned to aid in the weaving process.
- Adjust the pouch to ensure it is securely attached and does not move excessively.

2. Usage:

- Place your magazines into the pouch, ensuring they fit snugly.
- Adjust the shock cord to secure the magazines in place. If you need faster access, you may remove the shock cord.
- To draw a magazine, gently pull it out of the pouch while keeping a firm grip on the pouch to avoid any movement.

Disposal Instructions

- Dispose of the magazine pouch responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for textile and polymer materials.
- Do not burn or incinerate the pouch, as this may release harmful substances into the environment.
