Safety Instruction Guide for EXTENSION TUBE NUT 12 GA NORDIC COMPONENTS STOEGER M2000 12GA EXTENSION NUT

Introduction

Thank you for choosing the EXTENSION TUBE NUT 12 GA from Nordic Components. This product is designed to attach extensions to the magazine tube of compatible firearms, specifically models from Franchi and Stoeger. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that the product is compatible with your specific firearm model: Franchi Affinity, Stoeger M2000, or Stoeger Intensity.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues or concerns regarding the product, do not hesitate to seek professional assistance.

Specific Safety Precautions for Use

- Do not use the extension tube nut if it is damaged or shows signs of wear.
- Ensure that the firearm is unloaded before attempting to install or remove the extension tube nut.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Use only approved tools for installation to avoid damaging the product or the firearm.
- Keep hands and other body parts clear of the firearm's action during installation and removal.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a wrench suitable for the extension tube nut.

2. Installation Steps

- Locate the magazine tube on your firearm.
- Align the extension tube nut with the threads on the magazine tube.
- Handtighten the extension tube nut to ensure it is secure.
- Use a wrench to further tighten the nut, being careful not to overtighten and damage the threads.

3. Usage

- After installation, check that the extension tube is securely attached before using the firearm.
- Regularly inspect the attachment during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the EXTENSION TUBE NUT or if you need assistance, please reach out to your retailer or visit the manufacturer's website for more information.

By following these guidelines, you can help ensure a safe and enjoyable experience with your EXTENSION TUBE NUT. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
