

6.5X55MM SWEDISH MAUSER PREMIUM BRASS - NOSLER

6.5X55MM SWEDISH MAUSER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 6.5X55MM SWEDISH MAUSER PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. **FEATURES** Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for 6.5X55MM Swedish Mauser Brass Case

Introduction

Thank you for choosing the 6.5X55MM Swedish Mauser Brass Case by Nosler. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of this product. Please read this document carefully before using the brass cases.

General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using brass cases.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Always wear appropriate safety gear, including eye protection and gloves, when reloading ammunition.
- Keep brass cases out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the appropriate authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the brass cases, inspect them for any signs of damage or defects.
- Do not use damaged or deformed brass cases, as this may pose a risk of malfunction or injury.
- Follow the manufacturer's guidelines for reloading and ensure that you are using the correct components and procedures.
- Avoid overloading the brass cases beyond their specified limits to prevent accidents.
- If you are inexperienced with reloading, seek guidance from a knowledgeable individual or professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary equipment and materials for reloading, including a reloading press, dies, powder, bullets, and safety gear.
- Ensure your workspace is clean and organized.

2. Inspecting Brass Cases

- Check each brass case for cleanliness, damage, or signs of wear.
- Deburr the flash holes if necessary, following the manufacturer's recommendations.

3. Reloading Process

- Follow the specific reloading data for the 6.5X55MM Swedish Mauser cartridge.
- Carefully measure and pour the correct amount of powder into each case.
- Seat the bullet securely in the case mouth, ensuring it is aligned properly.

4. Final Inspection

- After reloading, inspect each cartridge for consistency and quality.
- Ensure that all cartridges are free from defects before use.

5. Storage

- Store reloaded ammunition in a safe, dry place, clearly labeled and separated from other

materials.

- Keep ammunition stored in a secure location away from children and pets.

Disposal Instructions

- Dispose of any unused or defective brass cases in accordance with local regulations.
- Do not throw brass cases in regular household waste.
- Contact local recycling centers to find out about proper disposal methods for brass and other reloading materials.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer or your local retailer. Ensure that you have the product details available when seeking support.

By following these safety instructions and guidelines, you can ensure a safer reloading experience with the 6.5X55MM Swedish Mauser Brass Case. Thank you for your attention to safety.
