NOSLER BALLISTIC TIP HUNTING 22 CAL (0.224") BOAT TAIL RIFLE BULLETS

Thriving on ultra-high velocity loads, the Ballistic Tip® Varmint bullet offers devastating performance at distances both near and far. The aerodynamic polymer tip (color coded by caliber) combined with the ultra-thin jacket mouth assures rapid and violent expansion at either end of the velocity scale. The bullet is equipped with a gradually thickening jacket wall that provides maximum energy transfer and optimum weight retention while the ballistically-engineered Solid Base® acts as a platform for large diameter mushrooms. No matter the rifle/cartridge combination you're shooting or what varmint you're shooting at, Nosler Ballistic Tip® delivers match-grade accuracy with all the performance characteristics serious varmint hunters are looking for. **FEATURES:** Polymer Tip Streamlined tip color coded by caliber. Ultra-Thin Jacket Mouth Assures violent expansion at either end of the velocity scale. Uniform Gradual Thickening The uniform, gradual thickening is designed to keep the bullet together until impact at any velocity. Ballistically Engineered Solid Base Boat tail configuration combines with the streamlined polymer tip for extreme long-range performance and easier loading.

Attributes

- Name: [NOSLER BALLISTIC TIP 22 CALIBER \(0.224"\) SPITZER BT 55GR 1,000/BOX](#)
- Manufacturer: [NOSLER](#)

Safety Instruction Guide for Nosler Ballistic Tip Varmint 22 Caliber (0.224") Spitzer Bullets

Introduction

Thank you for choosing Nosler Ballistic Tip Varmint 22 Caliber (0.224") Spitzer Bullets. This guide provides essential safety information to ensure the safe use of this product. Please read and follow all instructions carefully to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat all bullets as if they are loaded and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 22 Caliber (0.224") bullets before use.
- Inspect bullets for any visible damage before loading them into your firearm.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets, as they may cause malfunctions or accidents.
- Always use bullets in accordance with the manufacturer's guidelines.
- Be cautious of the potential for ricochet and ensure a safe backstop when shooting.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

• Loading Bullets:

- Ensure your firearm is pointed in a safe direction.
- Open the action of your firearm and verify that it is unloaded.
- Load the Nosler Ballistic Tip Bullets according to the firearm's manual.
- Close the action and prepare to shoot.

• Shooting:

- Position yourself in a stable and safe shooting stance.
- Aim carefully and ensure that your target is clear of people and property.
- Squeeze the trigger smoothly to avoid jerking the firearm.

• PostShooting:

- After shooting, always check your firearm to ensure it is unloaded.
- Store any remaining bullets securely and safely.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in household trash.

- Contact your local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer or refer to the product packaging for additional support information.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and usage of ammunition.
