

# **BALLISTIC SILVERTIP 270 CALIBER (0.277") BALLISTIC TIP SPITZER BU - NOSLER 270 CALIBER (0.277") 130GR SPITZER 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

## **Attributes**

- Name: [NOSLER 270 CALIBER \(0.277"\) 130GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658039
- Mfr. No.: 51075
- Ballistic Coefficient (G1): 0.433
- Brand Style: Ballistic Silvertip
- Bullet Style: Ballistic Tip Spitzer
- Caliber: 270 Caliber
- Diameter (Breech): 0.277
- Diameter (in): 0.277
- Grain: 130
- Sectional Density: 0.242
- Quantity: 50
- Delivery weight: 0.454kg
- Shipping height: 46mm
- Shipping width: 61mm
- Shipping length: 91mm
- UPC: 054041510752

# Safety Instruction Guide for BALLISTIC SILVERTIP 270 CALIBER

## Introduction

Thank you for choosing the BALLISTIC SILVERTIP 270 CALIBER (0.277") Ballistic Tip Spitzer. This guide provides essential safety instructions to ensure safe handling and use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the BALLISTIC SILVERTIP 270 CALIBER by following these guidelines:
  - Always treat all firearms and ammunition as if they are loaded.
  - Store ammunition in a secure and dry location, away from children and unauthorized users.
  - Use appropriate personal protective equipment (PPE) when handling ammunition, including safety glasses and hearing protection.
  - Do not use ammunition that is damaged or corroded.
  - Ensure that the firearm is compatible with the 270 caliber ammunition before use.
  - Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- When using the BALLISTIC SILVERTIP 270 CALIBER, adhere to the following precautions:
  - Always read and understand the firearm's owner's manual before use.
  - Never exceed the recommended load data provided by the firearm manufacturer.
  - Avoid using ammunition in firearms that are not specifically designed for that caliber.
  - Do not mix different types or brands of ammunition.
  - Be aware of your surroundings and ensure a safe shooting environment.
  - Always keep the muzzle pointed in a safe direction when loading and unloading the firearm.
  - If a misfire occurs, wait at least 30 seconds before attempting to remove the cartridge from the chamber.

## Instructions for Installation and Usage

- Follow these steps for the safe installation and usage of the BALLISTIC SILVERTIP 270 CALIBER:
  1. Ensure that the firearm is unloaded before inserting ammunition.
  2. Check that the ammunition is the correct caliber for your firearm.
  3. Load the ammunition into the magazine or chamber according to the firearm's manual.
  4. After loading, visually inspect the chamber to confirm that it is clear of obstructions.
  5. When ready to fire, ensure that you are in a safe position, and follow the firearm's operating procedures.
  6. After use, unload the firearm in a safe area and store the ammunition securely.

## Disposal Instructions

- Proper disposal of unused or damaged ammunition is crucial:
  - Do not throw away ammunition in regular trash.
  - Contact local law enforcement or hazardous waste disposal facilities for guidance on safe disposal methods.
  - Follow any local regulations regarding the disposal of ammunition.

## Contact Information for Further Support

- For any safety inquiries or concerns regarding the BALLISTIC SILVERTIP 270 CALIBER, please reach out to the appropriate authorities or local firearms experts.

## Conclusion

Safety is paramount when handling ammunition. By following the guidelines outlined in this instruction guide, you can ensure a safer experience with the BALLISTIC SILVERTIP 270 CALIBER. Always prioritize safety and compliance with regulations to protect yourself and others.
