

6.5 CREEDMOOR PREMIUM BRASS - NOSLER 6.5MM CREEDMOOR BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 6.5 CREEDMOOR PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for 6.5MM Creedmoor Brass Case

Introduction

Thank you for choosing the 6.5MM Creedmoor Brass Case by Nosler. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe handling and storage of all brass cases.
- Always treat every cartridge as if it is loaded.
- Keep brass cases out of reach of children and unauthorized users.
- Regularly check for recalls or safety notices related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling brass cases.
- Do not use damaged or deformed brass cases.
- Ensure that your reloading equipment is in good working condition and suitable for use with 6.5MM Creedmoor brass.
- Follow all safety guidelines provided by your reloading equipment manufacturer.
- Avoid overloading the brass cases beyond the recommended specifications.
- Store brass cases in a cool, dry place to prevent corrosion.

Instructions for Installation and Usage

1. Inspect the Brass Case:

- Check for any visible damage or defects.
- Ensure the headstamp is clear and legible.

2. Reloading Process:

- Follow the reloading data specific to the 6.5MM Creedmoor cartridge.
- Use a reliable reloading manual for guidance on powder types, bullet weights, and loads.
- Ensure proper seating depth and crimping of the bullet.

3. Firing:

- Only use in firearms specifically chambered for 6.5MM Creedmoor cartridges.
- Ensure the firearm is in proper working condition before use.
- Follow all safety protocols associated with the operation of your firearm.

4. PostUse Inspection:

- After firing, inspect the brass cases for signs of wear or damage.
- Clean the brass cases to remove residues and prepare for future use.

Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste.
- Consider recycling brass cases to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult your local Nosler distributor or visit the official Nosler website for additional resources and support.

By following these guidelines, you can ensure the safe and effective use of your 6.5MM Creedmoor Brass Case. Thank you for your attention to these important safety measures.
