

# **USTOM COMPETITION 6MM (0.243") HPBT RIFLE BULLETS - NOSLER CUSTOM COMPETITION 6MM (0.243") HPBT 107GR 250/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

**CUSTOM COMPETITION 6MM (0.243") HOLLOW POINT BOAT TAIL RIFLE BULLETS** Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. **FEATURES:** Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

## **Attributes**

- Name: [NOSLER CUSTOM COMPETITION 6MM \(0.243"\) HPBT 107GR 250/BOX](#)

# CUSTOM COMPETITION 6MM (0.243") HOLLOW POINT BOAT TAIL BULLETS Safety Instruction Guide

## Introduction

Thank you for choosing Nosler Custom Competition 6MM (0.243") Hollow Point Boat Tail Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before handling or using the bullets.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the bullets. Follow all instructions and safety measures outlined in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for updates on safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. This product is intended for use by trained adults only.
- **EU Contact Point:** For safety inquiries, please refer to the product packaging or the retailer for contact information.
- **Rapid Alerts:** Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Verify age eligibility before use.
- **Protective Gear:** Always wear appropriate protective gear, including safety glasses and hearing protection, when handling or using firearms with these bullets.
- **Storage:** Store bullets in a cool, dry place away from direct sunlight and heat sources. Ensure that they are kept in their original packaging when not in use.
- **Handling:** Handle bullets with care to avoid damage. Do not drop or throw bullets, as this may affect performance and safety.
- **Loading:** Follow proper loading procedures as outlined in the firearm's manual. Ensure that the bullets are compatible with your firearm before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe environment, away from unauthorized individuals, especially children.
- Gather all necessary tools and equipment, including a reloading press, scales, and safety gear.

### 2. Reloading:

- Follow the manufacturer's reloading guidelines and specifications for the bullets.
- Measure the powder charge accurately using a scale.
- Insert the bullet into the cartridge case, ensuring it is seated correctly.

### 3. Firing:

- Before firing, ensure that the firearm is clean and in good working condition.
- Check that the bullet is seated properly and that there are no obstructions in the barrel.
- Always point the firearm in a safe direction when loading and firing.
- Follow all safety protocols associated with the use of your specific firearm.

#### 4. **PostUsage:**

- After use, clean the firearm according to the manufacturer's instructions.
- Store any unused bullets safely, following the storage guidelines mentioned above.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all spent cartridge cases are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of Nosler Custom Competition 6MM (0.243") Hollow Point Boat Tail Bullets, please refer to the product packaging or your retailer for assistance.

By following these guidelines, you can help ensure a safe and effective experience with Nosler Custom Competition Bullets. Thank you for your attention to safety!
