

BALLISTIC SILVERTIP 270 CALIBER (0.277") BALLISTIC TIP SPITZER BU - NOSLER 270 CALIBER (0.277") 150GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

Attributes

- Name: [NOSLER 270 CALIBER \(0.277"\) 150GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658050
- Mfr. No.: 51100
- Ballistic Coefficient (G1): 0.496
- Brand Style: Ballistic Silvertip
- Bullet Style: Ballistic Tip Spitzer
- Caliber: 270 Caliber
- Diameter (Breech): 0.277
- Diameter (in): 0.277
- Grain: 150
- Sectional Density: 0.279
- Quantity: 50
- Delivery weight: 0.476kg
- Shipping height: 44mm
- Shipping width: 64mm
- Shipping length: 89mm
- UPC: 054041511001

Safety Instruction Guide for BALLISTIC SILVERTIP 270 CALIBER

Introduction

Thank you for choosing the BALLISTIC SILVERTIP 270 CALIBER ammunition. This guide provides essential safety information to ensure the safe handling and use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm and ammunition as if they are loaded and ready to fire.
- Store ammunition in a secure, dry location away from children and unauthorized users.
- Use appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Ensure that you are familiar with the specific firearm for which this ammunition is intended.
- Follow all manufacturer instructions for your firearm and ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates and safety information on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this ammunition in firearms specifically chambered for 270 caliber (0.277").
- Do not attempt to modify or reload this ammunition.
- Avoid using damaged or corroded ammunition.
- Ensure that the firearm is in good working condition before use.
- Be cautious of the potential for ricochet when shooting at hard surfaces.
- Do not shoot at water or other hard surfaces where bullets may ricochet.
- Keep the muzzle pointed in a safe direction at all times.
- Always ensure the safety mechanism of the firearm is engaged until ready to fire.

Instructions for Installation and Usage

• Loading Ammunition:

- Open the magazine of your firearm according to the manufacturer's instructions.
- Carefully load each cartridge into the magazine, ensuring that the bullets are oriented correctly.
- Close the magazine securely before proceeding.

• Firing:

- Ensure you are in a safe shooting position with a clear line of sight.
- Check that the safety mechanism is disengaged only when you are ready to fire.
- Aim carefully and squeeze the trigger gently to fire.

• PostFiring:

- After firing, keep the firearm pointed in a safe direction.
- Engage the safety mechanism immediately.
- Wait a few moments before checking the chamber for any misfires or jams.

Disposal Instructions

- Do not dispose of ammunition in regular household waste.
- Follow local regulations for the disposal of hazardous materials.
- Contact local law enforcement or waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product information, please refer to the official manufacturer's website or contact your local retailer.

By following these safety guidelines, you can help ensure a safe and enjoyable experience with your BALLISTIC SILVERTIP 270 CALIBER ammunition. Always prioritize safety and responsibility when handling firearms and ammunition.
