

BALLISTIC SILVERTIP 7MM (0.284") BALLISTIC TIP SPITZER BULLETS - NOSLER 7MM (0.284") 140GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

Attributes

- Name: [NOSLER 7MM \(0.284"\) 140GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658051

Safety Instruction Guide for BALLISTIC SILVERTIP 7MM (0.284") BALLISTIC TIP SPITZER BULLETS

Introduction

Thank you for choosing the BALLISTIC SILVERTIP 7MM (0.284") BALLISTIC TIP SPITZER BULLETS. This guide provides important safety information and instructions to ensure safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms and ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Regularly check for recalls or safety alerts regarding this product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing firearms.
- Only use this ammunition in firearms that are specifically chambered for 7MM (0.284") cartridges.
- Do not exceed the manufacturer's recommended load specifications.
- Ensure the firearm is pointed in a safe direction at all times when loading or unloading.
- Avoid using this ammunition if there are signs of damage or corrosion.
- Never handle ammunition with wet or greasy hands to prevent misfires or accidents.

Instructions for Installation and Usage

- Before use, read the firearm's owner's manual to understand the specific requirements for loading and firing.
- Inspect the ammunition before loading:
 - Check for any visible damage to the bullet or casing.
 - Ensure the bullet is properly seated in the casing.
- Load the ammunition into the magazine or chamber according to the firearm's instructions.
- When firing:
 - Maintain a firm grip on the firearm and position your body in a stable stance.
 - Fire only when you are sure of your target and what lies beyond it.
- After firing, unload the firearm and check the chamber to ensure it is empty before cleaning or storing.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or burn it.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your BALLISTIC SILVERTIP 7MM (0.284") BALLISTIC TIP SPITZER BULLETS. Thank you for your attention to these important guidelines.
