

# **BALLISTIC SILVERTIP 7MM (0.284") BALLISTIC TIP SPITZER BULLETS - NOSLER 7MM (0.284") 150GR SPITZER 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

## **Attributes**

- Name: [NOSLER 7MM \(0.284"\) 150GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658052
- Mfr. No.: 51110
- Ballistic Coefficient (G1): 0.493
- Brand Style: Ballistic Silvertip
- Bullet Style: Ballistic Tip Spitzer
- Caliber: 284 Caliber,7mm
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 150
- Sectional Density: 0.266
- Quantity: 50
- Delivery weight: 0.522kg
- UPC: 054041511100

## **Item details**

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for BALLISTIC SILVERTIP 7MM Bullets

## Introduction

Thank you for choosing the BALLISTIC SILVERTIP 7MM (0.284") Ballistic Tip Spitzer Bullets by Nosler. This guide provides essential safety instructions to ensure the safe use and handling of the product. Please read this guide carefully before using the bullets and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the purchase, possession, and use of ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect ammunition regularly for signs of damage or corrosion.

## Specific Safety Precautions for Use

- Always use the correct caliber and type of ammunition for your firearm. The BALLISTIC SILVERTIP 7MM bullets are specifically designed for 7mm caliber firearms.
- Wear appropriate eye and ear protection when handling or firing ammunition.
- Do not use damaged or defective ammunition. If you suspect any issues, consult a qualified gunsmith.
- Follow all manufacturer instructions for your firearm when loading and firing ammunition.
- Avoid excessive handling of ammunition to minimize the risk of accidental discharge.
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### • Loading the Bullets:

- Ensure that the firearm is pointed in a safe direction and that the action is open.
- Load the BALLISTIC SILVERTIP 7MM bullets into the magazine according to the firearm's instructions.
- Check that the bullets are seated properly and securely in the magazine.

### • Firing the Bullets:

- Confirm that the firearm is in good working condition before firing.
- Follow all safety protocols for your specific firearm.
- When ready to fire, ensure that the area is clear of people and obstacles.
- Aim at your target and pull the trigger gently.

### • PostFiring:

- After firing, inspect the firearm for any signs of malfunction.
- Store any remaining ammunition safely and securely.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or recycling.

- Contact local law enforcement or hazardous waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact their customer support directly. Ensure you have the product information available for accurate assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your BALLISTIC SILVERTIP 7MM bullets. Always prioritize safety and responsible handling of ammunition. Thank you for your attention to these important safety instructions.
