

BALLISTIC SILVERTIP 30 CALIBER (0.308") BALLISTIC TS BULLETS - NOSLER 30 CALIBER (0.308") 150GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

Attributes

- Name: [NOSLER 30 CALIBER \(0.308"\) 150GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658053
- Mfr. No.: 51150
- Ballistic Coefficient (G1): 0.435
- Brand Style: Ballistic Silvertip
- Bullet Style: Ballistic Tip Spitzer
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 150

Safety Instruction Guide for BALLISTIC SILVERTIP 30 CALIBER (0.308") BALLISTIC TS BULLETS

Introduction

Thank you for choosing the BALLISTIC SILVERTIP 30 CALIBER (0.308") BALLISTIC TS BULLETS by Nosler. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use ammunition in your jurisdiction.
- Always store ammunition in a secure location, out of reach of children and unauthorized individuals.
- Use only in firearms that are designed for 30 caliber (0.308") ammunition.
- Follow all local, state, and federal laws regarding the use and storage of ammunition.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Keep the muzzle of the firearm pointed in a safe direction at all times.
- Ensure that your firearm is in good working order before use. Consult a qualified gunsmith if unsure.
- Wear appropriate eye and ear protection when handling or firing ammunition.
- Avoid using ammunition that has been exposed to moisture or extreme temperatures.
- Do not attempt to modify or disassemble the bullets or any ammunition components.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

Instructions for Installation and Usage

- Verify that you have the correct caliber and type of ammunition for your firearm.
- Load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm model.
- When firing, maintain a proper shooting stance and grip to ensure control of the firearm.
- After firing, keep the firearm pointed in a safe direction and wait for a few moments before inspecting the chamber.
- If a bullet does not fire, do not attempt to open the firearm immediately. Wait for at least 30 seconds before checking for a misfire.
- Clean your firearm regularly to maintain optimal performance and safety.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Never throw ammunition in the trash. Contact local authorities or waste disposal facilities for proper disposal methods.
- If you have damaged or defective bullets, do not attempt to use them. Follow local guidelines for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the BALLISTIC SILVERTIP 30 CALIBER (0.308") BALLISTIC TS BULLETS, please refer to the manufacturer's website or customer service resources.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority. Always prioritize safe handling practices and remain informed about the laws and regulations in your area.
