

# BALLISTIC SILVERTIP 338 CALIBER (0.338") BALLISTIC TS BULLETS - NOSLER 338 CALIBER (0.338") 200GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combined Technology Ballistic Silvertip bullets perform exactly like the Nosler Ballistic Tip hunting or varmint bullets but with the added benefit of an advanced Lubalox® coating. Lubalox is a micro-thin coating that helps reduce fouling for easier cleaning and minimizes pressure and friction between the bullet and the bore for improved accuracy and increased barrel life. Polymer tip won't deform under recoil while in the magazine and initiates positive expansion on impact with small and medium game. Varmint bullets feature an ultra-thin jacket mouth for instant expansion upon impact. Hunting bullets have a fully-tapered jacket with a thicker base to allow controlled expansion and create a large-diameter mushroom.

## Attributes

- Name: [NOSLER 338 CALIBER \(0.338"\) 200GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658056
- Mfr. No.: 51200
- Ballistic Coefficient (G1): 0.414
- Brand Style: Ballistic Silvertip
- Bullet Style: Ballistic Tip Spitzer
- Caliber: 338 Caliber
- Diameter (Breech): 0.338
- Diameter (in): 0.338
- Grain: 200
- Sectional Density: 0.250
- Quantity: 50
- Delivery weight: 0.68kg
- UPC: 054041512008

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for BALLISTIC SILVERTIP 338 CALIBER Bullets

## Introduction

Thank you for choosing the BALLISTIC SILVERTIP 338 CALIBER (0.338") bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all users are knowledgeable about firearm safety and handling.
- Always store bullets in a secure location, out of reach of children and unauthorized users.
- Inspect the bullets for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the use of ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for recall updates related to this product.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically designed for 338 caliber ammunition.
- Avoid using damaged or improperly stored bullets, as they may pose a safety risk.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Handle bullets with care to prevent accidental discharge.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure a clear shooting area before firing.

## Instructions for Installation and Usage

- Ensure that the firearm is unloaded before installing the bullets.
- Load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- Check that the bullets are seated properly and securely in the chamber or magazine.
- When ready to fire, keep your finger off the trigger until you are aimed and ready to shoot.
- After firing, inspect the firearm and bullets for any abnormalities or malfunctions.
- Clean the firearm regularly to maintain performance and safety, especially after using the BALLISTIC SILVERTIP bullets.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, take them to a designated hazardous waste disposal facility.
- Ensure that all materials are properly secured during transportation to prevent accidents.

## Contact Information for Further Support

For any questions or concerns regarding the BALLISTIC SILVERTIP 338 CALIBER bullets, please contact the manufacturer or refer to their official website for assistance.

By following these safety instructions, you contribute to a safer shooting environment for yourself and others. Thank you for your attention to these important guidelines.
