

CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS - NOSLER CUSTOM COMPETITION 6.5MM (0.264") HPBT 140GR 1,000/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 6.5MM (0.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. **FEATURES:** Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

CUSTOM COMPETITION 6.5MM HOLLOW POINT BOAT TAIL BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Nosler Custom Competition 6.5mm (0.264") Hollow Point Boat Tail Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand these guidelines before using the bullets.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition and firearms.
- Always treat all bullets as if they are loaded and capable of causing injury.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Regularly inspect your ammunition for signs of damage or deterioration before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and hearing protection when handling or firing ammunition.
- **Handling:**
 - Avoid touching the bullet tip to prevent contamination.
 - Handle bullets with care to avoid dropping or damaging them.
- **Loading and Firing:**
 - Follow the manufacturer's instructions for loading ammunition into your firearm.
 - Ensure that the firearm is in good working condition and appropriate for use with 6.5mm ammunition.
 - Never attempt to modify or alter the bullets or their components.
- **Shooting Environment:**
 - Use bullets only in designated shooting areas or ranges.
 - Ensure the area is clear of people and obstacles before firing.
- **Emergency Procedures:**
 - In case of a misfire, wait at least 30 seconds before attempting to clear the firearm.
 - Always have a first aid kit available and know how to use it in case of an accident.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you are using the correct bullet type for your firearm.
 - Follow the reloading manual specific to your firearm and bullet type for proper installation procedures.
- **Usage:**
 - Load the bullets into the magazine or chamber according to the firearm's specifications.
 - Always check that the firearm is pointed in a safe direction before loading.
 - After firing, ensure the firearm is unloaded before handling or cleaning.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations regarding hazardous materials.
- Do not throw bullets in regular trash. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you help ensure a safe and enjoyable experience with your Nosler Custom Competition 6.5mm Hollow Point Boat Tail Bullets. Thank you for your attention to safety!
