

CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS - NOSLER CUSTOM COMPETITION 6.5MM (0.264") HPBT 123GR 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 6.5MM (0.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. FEATURES: Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

CUSTOM COMPETITION 6.5MM HOLLOW POINT BOAT TAIL BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing Nosler Custom Competition 6.5mm (0.264") Hollow Point Boat Tail Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these highperformance match bullets. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

General Safety Guidelines

- Always store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for 6.5mm ammunition.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Inspect bullets for any signs of damage before use.
- Avoid using damaged or deformed bullets, as they can pose safety risks.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your firearm before using these bullets.
- Always wear appropriate eye and ear protection when shooting.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Do not shoot at hard surfaces or water, as bullets can ricochet.
- Always be aware of your surroundings and ensure a safe shooting environment.
- Do not mix different brands or types of ammunition in your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded before handling bullets.
- Gather all necessary equipment, including a reloading press, dies, and safety gear.

2. Reloading:

- Follow the manufacturer's instructions for your reloading equipment.
- Use appropriate powder and primers as specified in reloading manuals.
- Measure and weigh powder charges accurately to avoid overloading.

3. Seating Bullets:

- Seat the bullets to the recommended overall length for your specific firearm.
- Ensure that the bullets are seated straight to avoid any feeding issues.

4. Testing:

- Conduct a function test with a small batch before using a full load.
- Monitor for any signs of excessive pressure or malfunction during shooting.

5. Storage:

- Store loaded ammunition in a secure location, away from heat and moisture.
- Label all containers clearly with the load data and date of assembly.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; check for local hazardous waste disposal options.
- Ensure that spent cartridges are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For safety inquiries or more information about Nosler Custom Competition 6.5mm Hollow Point Boat Tail Bullets, please refer to the manufacturer's contact details provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility when handling ammunition.
