

# **CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS - NOSLER CUSTOM COMPETITION 6.5MM (0.264") HPBT 123GR 250/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

**CUSTOM COMPETITION 6.5MM (0.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS** Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. **FEATURES:** Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

# CUSTOM COMPETITION 6.5MM HOLLOW POINT BOAT TAIL BULLETS Safety Instruction Guide

## Introduction

Thank you for choosing Nosler's CUSTOM COMPETITION 6.5MM (0.264") Hollow Point Boat Tail Bullets. These high-performance match bullets are designed for accuracy and precision in shooting applications. This safety instruction guide provides essential information to ensure safe handling, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle bullets with care to prevent accidental discharge.
- Store bullets in a cool, dry place and out of reach of children and unauthorized users.
- Regularly inspect bullets for any signs of damage or deterioration.
- Follow all local laws and regulations regarding ammunition and bullet usage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only in firearms specifically designed for 6.5mm (0.264") caliber ammunition.
- Ensure that the firearm is in good working condition before use.
- Do not exceed the recommended load specifications for your firearm.
- Wear appropriate eye and ear protection while shooting.
- Avoid using bullets in wet or humid conditions to prevent corrosion.
- Do not attempt to modify or alter the bullets in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the correct firearm for 6.5mm (0.264") bullets.
- Gather necessary tools and safety equipment (eye and ear protection).

### 2. Loading the Bullets:

- Open the box carefully to avoid damaging the bullets.
- Inspect each bullet for defects before use.
- Use appropriate reloading equipment to load bullets into cartridge cases.
- Follow reloading guidelines specific to your firearm and bullet type.

### 3. Firing the Bullets:

- Position yourself in a safe shooting area, ensuring a clear line of sight and a secure backstop.
- Load the firearm according to the manufacturer's instructions.
- Aim only at targets and never at people or animals.
- After firing, check the firearm for proper functioning before reloading.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and handling of Nosler CUSTOM COMPETITION 6.5MM (0.264") Hollow Point Boat Tail Bullets, please refer to your local authorities or consult with a qualified firearms expert. It is essential to follow all safety guidelines to ensure a safe and enjoyable shooting experience.

By adhering to these safety instructions, you help ensure not only your own safety but also the safety of others around you. Thank you for choosing Nosler. Enjoy your shooting experience responsibly.
