

ACCUBOND LONG RANGE 7MM (0.284") SPITZER BULLETS - NOSLER 7MM (0.284") 150GR SPITZER BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The design of the AccuBond®-LR allows for the highest B.C. possible in a bullet of the same caliber and weight. Designed with an optimum performance window ranging from 3,200fps to 1,300fps, the unique tapered jacket geometry and proprietary bonding process of the AccuBond®-LR allow it to expand rapidly for effective energy transfer and significant tissue damage while retaining sufficient weight to ensure deep penetration into the vitals. The AccuBond® bonding process allows the AccuBond®-LR to perform reliably on game throughout the entire velocity range, eliminating the problem of being “too close” often encountered with other high-B.C. bullets. The high-performance boat tail, long ogive, and polymer tip combine to make the AccuBond®-LR the sleekest, flattest- shooting, bonded, hunting bullet ever created. The ogive of the AccuBond®-LR is designed to provide excellent accuracy in a wide variety of firearms without the necessity of being loaded close to or in contact with the lands. The AccuBond®-LR will be packaged in 100 count boxes, and will initially be available in the following calibers and weights.

Attributes

- Name: [NOSLER 7MM \(0.284"\) 150GR SPITZER BOAT TAIL 100/BOX](#)

Safety Instruction Guide for ACCUBOND LONG RANGE 7MM SPITZER BULLETS

Introduction

Thank you for choosing the ACCUBOND LONG RANGE 7MM (0.284") SPITZER BULLETS by NOSLER. This guide provides essential safety instructions and guidelines to ensure the safe usage of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the regulations and laws regarding ammunition in your country or region before purchasing or using this product.
- Always store ammunition in a cool, dry place and out of reach of children and unauthorized persons.
- Inspect ammunition for any signs of damage or defect before use. Do not use damaged or defective ammunition.
- Follow all firearm safety rules when handling and using ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues.

Specific Safety Precautions for Use

- Only use this ammunition in firearms that are specifically chambered for 7MM (0.284") caliber.
- Ensure that your firearm is in good working condition and has been properly maintained.
- Do not exceed the recommended load data provided by the firearm manufacturer or reloading manual.
- Be aware of your target and what lies beyond it. Never shoot at a target unless you are certain of what is behind it.
- Avoid using this ammunition if you are under the influence of drugs or alcohol.
- Keep the muzzle of the firearm pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Ensure that the firearm is pointed in a safe direction.
- Open the action of the firearm and ensure it is unloaded.
- Load the ACCUBOND LONG RANGE 7MM SPITZER BULLETS according to the manufacturer's instructions for your specific firearm.

2. Firing the Ammunition:

- Always wear appropriate safety gear, including eye and ear protection.
- Check the surrounding area to ensure it is safe to shoot.
- Aim at your target and pull the trigger only when you are ready to fire.
- After firing, remain aware of your surroundings and check for any potential hazards.

3. After Use:

- Clean your firearm according to the manufacturer's instructions to maintain its performance and safety.
- Store any unused ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local laws and regulations.
- Do not throw ammunition in the regular trash. Contact local authorities or a hazardous waste disposal facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ACCUBOND LONG RANGE 7MM SPITZER BULLETS, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ACCUBOND LONG RANGE 7MM SPITZER BULLETS. Thank you for your attention to safety.
