

# ACCUBOND LONG RANGE 270 CALIBER (0.277") SPITZER BULLETS - NOSLER 270 CALIBER (0.277") 150GR SPITZER 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The design of the AccuBond®-LR allows for the highest B.C. possible in a bullet of the same caliber and weight. Designed with an optimum performance window ranging from 3,200fps to 1,300fps, the unique tapered jacket geometry and proprietary bonding process of the AccuBond®-LR allow it to expand rapidly for effective energy transfer and significant tissue damage while retaining sufficient weight to ensure deep penetration into the vitals. The AccuBond® bonding process allows the AccuBond®-LR to perform reliably on game throughout the entire velocity range, eliminating the problem of being "too close" often encountered with other high-B.C. bullets. The high-performance boat tail, long ogive, and polymer tip combine to make the AccuBond®-LR the sleekest, flattest-shooting, bonded, hunting bullet ever created. The ogive of the AccuBond®-LR is designed to provide excellent accuracy in a wide variety of firearms without the necessity of being loaded close to or in contact with the lands. The AccuBond®-LR will be packaged in 100 count boxes, and will initially be available in the following calibers and weights.

## Attributes

- Name: [NOSLER 270 CALIBER \(0.277"\) 150GR SPITZER 100/BOX](#)

# Consumer Safety Instruction Guide for ACCUBOND LONG RANGE 270 CALIBER SPITZER BULLETS

## Introduction

Thank you for choosing the ACCUBOND LONG RANGE 270 CALIBER (0.277") SPITZER BULLETS by Nosler. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product as it is designed for recreational shooting. Follow all safety guidelines associated with firearms and ammunition.
- **Enhanced Recalls:** Stay informed about any recall notices. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals. Always supervise young users when handling firearms and ammunition.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for guidance.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of ammunition can lead to serious injury or death.
- Always treat every bullet as if it is loaded.
- Ensure that the firearm is compatible with the caliber and specifications of the bullets.

- **Instructions for Avoiding Hazards:**

- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to fire.
- Always wear appropriate eye and ear protection when shooting.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Dispose of used or damaged bullets and ammunition according to local regulations.

## Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded before installing bullets.
- Follow the manufacturer's instructions for loading bullets into the firearm.
- Check that the bullets are seated properly in the chamber.

- **Usage:**

- Use only in firearms specifically designed for 270 caliber ammunition.
- Always check the bullet specifications before use to ensure compatibility.

- Follow all local laws and regulations regarding the use of firearms and ammunition.

## **Disposal Instructions**

- Dispose of any unused or expired bullets in accordance with local hazardous waste regulations.
- Do not throw away bullets in regular trash. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACCUBOND LONG RANGE 270 CALIBER SPITZER BULLETS, please refer to the appropriate channels for support and assistance.

By following these guidelines, you can help ensure your safety and the safety of others while using the ACCUBOND LONG RANGE 270 CALIBER SPITZER BULLETS. Always prioritize safety and responsible handling practices.
