

# S&W G10 GRIPS - VZ GRIPS J-FRAME 320 BLACK GREY G10

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

VZ Grips G10 grips for Smith & Wesson J & N-Frame revolvers offer unparalleled texture and a custom look. Available in Tactical Diamond or 320. Tactical Diamond has a grippy and aggressive texture, ideal for frequent shooting. 320 features a smoother texture, allowing for more vibrant color patterns and making it ideal for concealed carry use. Both grips are available in Black Grey.

# Safety Instruction Guide for S&W G10 Grips VZ Grips JFrame 320 Black Grey G10

## Introduction

Thank you for choosing the S&W G10 Grips VZ Grips for your Smith & Wesson JFrame revolver. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of the product. Please read this document carefully to ensure safe handling and use.

## General Safety Guidelines

- Ensure the grips are compatible with your specific model of Smith & Wesson revolver before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Inspect the grips regularly for any signs of wear or damage.
- If you notice any defects or issues with the grips, discontinue use immediately and seek assistance.
- Keep the grips and the firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents related to the grips to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the grips only for their intended purpose on Smith & Wesson JFrame or NFrame revolvers.
- Avoid using the grips in wet or slippery conditions to prevent loss of control.
- Ensure that the grips are securely attached to the firearm before use.
- Do not modify the grips in any way, as this may compromise safety and performance.
- Be aware of the grip texture: Tactical Diamond provides a more aggressive texture, while 320 offers a smoother feel. Choose based on your shooting needs.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing grips from the revolver using the appropriate tools.
3. Align the new VZ Grips with the grip frame of the revolver.
4. Secure the grips in place using the provided screws. Ensure they are tightened properly but do not overtighten.
5. Check the alignment and fit of the grips before use.

### Usage

- Always practice safe firearm handling techniques.
- Familiarize yourself with the feel and grip of the new grips before engaging in shooting activities.
- Regularly clean and maintain the grips to ensure optimal performance and longevity.

## Disposal Instructions

- Dispose of the grips in accordance with local regulations for plastic and composite materials.
- Do not dispose of the grips in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the S&W G10 Grips VZ Grips, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with enhanced comfort and control!
