

AR-15 LANCER ROUND CARBON FIBER STOCK FIXED - LANCER SYSTEMS LANCER ROUND CARBON FIBER STOCK FIXED A2 LENGTH BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Lancer Systems Fixed Round Carbon-Fiber AR-15 Stock is designed for use on AR-style .308 and AR-15 rifles, giving them a solidly built buttstock that fits on any standard rifle-length buffer tube. The stock is available in both A1 (10.25-inch) and A2 (10.8-inch) lengths. Depending on the stock selected, weight ranges from 9.4 to 10.4 ounces. A1 length stock is 10.25" long and weighs 9.4oz. A2 length stock is 10.8" long and weighs 10.4oz. The stock features an all-black finish and comes equipped with a QD sling-swivel mounting point. The stock does not include a buffer tube or screw.

Safety Instruction Guide for Lancer Systems Fixed Round CarbonFiber AR15 Stock

Introduction

Thank you for choosing the Lancer Systems Fixed Round CarbonFiber AR15 Stock. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the stock.
- Use the stock only on compatible ARstyle .308 and AR15 rifles.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the stock out of reach of children and unauthorized users.
- Inspect the stock regularly for any signs of damage or wear.
- Do not use the stock if it shows any signs of damage or if any components are missing.
- Report any unsafe conditions or incidents related to the stock to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the stock is securely mounted to the buffer tube before use.
- Do not exceed the weight limit specified for the stock.
- Avoid using the stock in extreme temperatures or environments that may affect its integrity.
- Use only approved mounting hardware when attaching the stock to the rifle.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.

Instructions for Installation and Usage

Installation Steps

1. **Gather Necessary Tools:** Ensure you have the appropriate tools for installation, including a screwdriver and any required mounting hardware.
2. **Prepare the Rifle:** Make sure the rifle is unloaded and the safety is engaged.
3. **Remove Existing Stock:** If replacing an existing stock, carefully remove it from the buffer tube following the manufacturer's instructions.
4. **Attach the New Stock:**
 - Align the stock with the buffer tube.
 - Securely tighten the mounting hardware to ensure a stable fit.
5. **Check Stability:** Once installed, check that the stock is firmly attached and does not wobble.
6. **Adjust Length:** If applicable, adjust the stock length to your preference (A1 or A2).

Usage Instructions

- Always check the stock before each use for any signs of wear or damage.
- Ensure that the stock is properly adjusted for your shooting position.
- When firing, maintain a firm grip on the rifle and ensure that your body is positioned safely.
- After use, clean the stock as needed to maintain its condition.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and carbon fiber materials.

- Do not incinerate the stock as it may release harmful substances.
- If the stock is damaged beyond use, consider recycling options for carbon fiber materials.

Contact Information for Further Support

For any safety inquiries or further support regarding the Lancer Systems Fixed Round CarbonFiber AR15 Stock, please consult the product packaging or visit the manufacturer's website for additional resources.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Lancer Systems Fixed Round CarbonFiber AR15 Stock. Thank you for your attention to safety.
