

MPX® MAGAZINE COUPLER - LANCER SYSTEMS MPX MAGAZINE COUPLER BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

The Lancer Systems SIG Sauer MPX Magazine Coupler makes it easy for owners of this pistol-caliber carbine system to secure two magazines side-by-side, ensuring that shooters always have a reload close at hand. The coupler is designed to attach two magazines only and weighs 1.6 ounces. It is also specially designed to allow for a clear view of the witness holes in the magazine showing users how many rounds are left. The coupler is available in black.

MPX® Magazine Coupler Safety Instruction Guide

Introduction

Thank you for choosing the MPX® Magazine Coupler by Lancer Systems. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your magazine coupler. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the magazine coupler is used in accordance with the manufacturer's instructions.
- Inspect the magazine coupler regularly for any signs of wear or damage.
- Keep the coupler out of reach of children and unauthorized users.
- Do not use the coupler with incompatible magazines or devices.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on any recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine coupler is securely attached before use.
- Do not exceed the recommended weight limit of the coupler.
- Always check the witness holes in the magazines to confirm the number of rounds available.
- Avoid exposing the coupler to extreme temperatures or harsh chemicals.
- Use the coupler only for its intended purpose, which is to hold two magazines sidebyside.

Instructions for Installation and Usage

1. Installation:

- Align the two magazines to be coupled.
- Insert the coupler into the designated slots on both magazines.
- Press down firmly until you hear a click, indicating that the coupler is securely attached.

2. Usage:

- Always ensure that the magazines are loaded correctly before use.
- When using the coupler, maintain a firm grip on both magazines.
- To detach the coupler, press the release tabs on either side and gently pull the magazines apart.

3. PostUse Care:

- After use, remove the coupler and clean it with a dry cloth.
- Store the coupler in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the magazine coupler responsibly. Follow local regulations for the disposal of plastic and electronic components.
- Do not incinerate the coupler as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the MPX® Magazine Coupler, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy using your MPX® Magazine Coupler safely and responsibly!
