

# **SIG SAUER 516 HANDGUARD FREE FLOAT M-LOK CARBON FIBER - LANCER SYSTEMS HANDGUARD FREE FLOAT M-LOK CARBON FIBER 13 BLACK**

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Reduce weight while retaining ruggedness and durability with the Lancer Systems SIG Sauer 516 Carbon-Fiber Handguard. This free-float handguard design retains all of the dependable, battle-ready construction of the original handguard design while reducing overall weight and making the rifle much easier to maneuver. The handguard is compatible with M-LOK accessory attachments and features an aluminum Picatinny top rail for optics mounting. The Unit measures 13.1 inches long, weighs 10.4 ounces and is finished in black.

# Safety Instruction Guide for SIG SAUER 516 Handguard Free Float MLOK Carbon Fiber

## Introduction

Thank you for choosing the SIG SAUER 516 Handguard Free Float MLOK Carbon Fiber by Lancer Systems. This product is designed to enhance your shooting experience by providing a lightweight and durable handguard. However, it is essential to follow safety guidelines to ensure safe use and maintenance of the product.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the handguard is compatible with your firearm model before installation.
- Regularly inspect the handguard for any signs of wear or damage.
- Store the handguard in a dry and secure location when not in use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for accessories mounted on the handguard.
- Ensure that all MLOK accessories are securely attached before use.
- Avoid exposing the handguard to extreme temperatures to prevent damage to the carbon fiber material.
- Keep the handguard clean and free of debris to maintain its performance.
- Use appropriate eye and ear protection when firing your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard by following the manufacturer's instructions.
- Align the SIG SAUER 516 Handguard with the firearm's upper receiver.
- Secure the handguard using the provided mounting hardware, ensuring all screws are tightened appropriately.
- Attach any desired MLOK accessories following the accessory manufacturer's instructions.

### 2. Usage:

- Grip the handguard firmly while aiming and firing the firearm.
- Be aware of the handguard's temperature after firing, as it may become hot.
- Regularly check the tightness of the handguard and accessories during use.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations for carbon fiber materials.
- Do not burn the handguard, as it may release harmful substances.
- If you are unsure about disposal methods, consult with local waste management authorities.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the SIG SAUER 516 Handguard Free Float MLOK Carbon Fiber, please refer to the contact information provided by the manufacturer or authorized retailer.

## Conclusion

By following the guidelines and instructions outlined in this safety instruction guide, you can ensure a safe and enjoyable experience with your SIG SAUER 516 Handguard Free Float MLOK Carbon Fiber. Always prioritize safety and responsibility in the handling and use of firearms and accessories.
