Safety Instruction Guide for SIG SAUER 716 Handguard Free Float MLOK Carbon Fiber

Introduction

Thank you for choosing the SIG SAUER 716 Handguard Free Float MLOK Carbon Fiber by Lancer Systems. This product is designed to enhance your rifle's performance while minimizing weight. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This handguard is engineered to provide a safe experience during use. Ensure that all safety measures are followed to prevent accidents.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Always check for updates regarding recalls.
- **Online Shopping:** If purchased online, know that you have the same protections as when buying in physical stores.
- **Special Consumer Focus:** Extra care is taken for vulnerable groups. This product is not intended for use by children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about potential safety issues through the Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling firearms and accessories.
- Ensure that the handguard is securely attached before using your rifle.
- Regularly inspect the handguard for signs of damage or wear.
- Do not modify the handguard in any way that may compromise its integrity.
- Keep the handguard and all firearm accessories out of reach of children.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Gather necessary tools: a torque wrench and compatible screws.

2. Removal of Old Handguard:

- Carefully detach the existing handguard from your rifle, following the manufacturer's instructions.

3. Installation of New Handguard:

- Align the SIG SAUER 716 Handguard with the rifle's upper receiver.
- Securely attach the handguard using the provided screws, ensuring they are tightened to the manufacturer's specifications with a torque wrench.

4. Final Check:

- Verify that the handguard is firmly in place and does not wobble.

- Ensure that the MLOK slots are free of obstructions for accessory attachments.

Usage Instructions

- When using the rifle equipped with the handguard, maintain proper shooting stance and grip.
- Regularly check the handguard for stability during shooting sessions.
- Avoid placing excessive weight or pressure on the handguard when attaching accessories.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the handguard in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for carbon fiber materials.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER 716 Handguard Free Float MLOK Carbon Fiber, please refer to the designated EU contact point associated with this product. This information can typically be found on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your SIG SAUER 716 Handguard Free Float MLOK Carbon Fiber. Thank you for your attention to safety!
