

AR-15 LCH5 HANDGUARD CARBON FIBER FREE FLOAT - LANCER SYSTEMS LCH5 HANDGUARD CARBON FIBER FREE FLOAT 9 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Built for Lightweight Race Carbines

If you're going for full functionality combined with the lightest weight possible in your AR-15, then the Lancer Systems LCH5 Carbon-Fiber AR-15 Handguard is the perfect product for your rifle. Unlike other models in the company's LCH5 lineup, the Lancer Systems LCH5 Carbon-Fiber AR-15 Handguard does not include the Picatinny top rail for accessory mounts, ensuring that weight is even further reduced. To maintain durability and rigidity, the carbon-fiber construction features aluminum reinforcement on the receiver extension and end cap, making your rifle ready for any scenario. Free-float design ensures accuracy Fits all standard AR-15 upper receiver extensions Built-in cooling slots maintain barrel temperature The Lancer Systems LCH5 Carbon-Fiber AR-15 Handguard also features a smooth black color for compatibility with a wide range of rifle finishes.

AR15 LCH5 Handguard Safety Instruction Guide

Introduction

Thank you for choosing the Lancer Systems LCH5 CarbonFiber AR15 Handguard. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read the entire manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the handguard is installed correctly to avoid any risks during operation.
- Always handle your AR15 in a safe manner, following all firearm safety rules.
- Inspect the handguard regularly for any signs of wear or damage.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- If you experience any issues with the handguard, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Do not expose the handguard to extreme heat or direct flame, as this may compromise its structural integrity.
- Ensure that the handguard is compatible with your AR15 upper receiver before installation.
- Avoid using the handguard with any nonstandard or modified components that may affect performance and safety.
- Do not attempt to modify or alter the handguard in any way.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and safe to handle before beginning installation.
- Remove the existing handguard from your AR15, following the manufacturer's instructions.
- Align the Lancer Systems LCH5 CarbonFiber Handguard with the upper receiver.
- Secure the handguard using the provided mounting hardware, ensuring it is tightened to the manufacturer's specifications.
- Doublecheck that the handguard is securely attached before proceeding to use the firearm.

2. Usage

- Familiarize yourself with the handguard's features, including builtin cooling slots.
- Regularly check the handguard for any signs of loosening or damage during use.
- Clean the handguard as needed, using a soft cloth and appropriate cleaning solutions for carbon fiber materials.
- Store the firearm in a safe and secure location when not in use.

Disposal Instructions

- When disposing of the handguard, follow local regulations for the disposal of composite materials.
- Do not burn the handguard, as combustion may release harmful substances.
- Consider recycling the carbon fiber material if facilities are available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of your Lancer Systems LCH5 CarbonFiber AR15 Handguard. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important safety instructions.
