

1911 EXOTIC WOOD GRIPS - ARTISAN STOCK AND GUNWORKS INC

1911 EXOTIC WOOD GRIP MADE FROM REDHEART

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Exotic 1911 Wood Grips fit Government and Commander Single Stack 1911 handguns. Full flat bottoms, with cutout for ambidextrous safeties. Unique, laser cut pattern doesn't mask wood, while providing improved grip. Grips include four (4) nickel plated allen screws. Grips are completely sealed to prevent oil rotting. Exterior finish is polyurethane. Thickness goes up to .300".

Safety Instruction Guide for 1911 Exotic Wood Grips

Introduction

Thank you for choosing the 1911 Exotic Wood Grips from Artisan Stock and Gunworks Inc. These grips are designed to enhance the functionality and appearance of your Government and Commander Single Stack 1911 handguns. This safety instruction guide provides important information to ensure the safe use and maintenance of your grips.

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your grips for any signs of wear or damage.
- If you notice any defects or issues with the grips, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Verify that the grips are compatible with your specific model of 1911 handgun (Government or Commander).
- Always use the provided nickelplated allen screws for installation to ensure a secure fit.
- Avoid using excessive force when tightening the screws to prevent damage to the grips or the handgun.
- Do not expose the grips to extreme temperatures or harsh chemicals, as this may damage the polyurethane finish.
- Regularly clean the grips with a soft, dry cloth to maintain their appearance and functionality.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a suitable allen wrench for the screws provided.

2. Removing Old Grips

- Carefully unscrew the existing grips from the handgun using the allen wrench.
- Keep the screws in a safe place if you plan to reuse them.

3. Installing New Grips

- Align the new Exotic Wood Grips with the handgun's frame.
- Insert the provided nickelplated allen screws into the designated holes.
- Gently tighten each screw in a crisscross pattern to ensure even pressure and a secure fit.

4. Final Checks

- Once installed, check that the grips are firmly in place and do not move or shift.
- Test the ambidextrous safeties to ensure they function correctly with the new grips.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the grips become damaged beyond repair, follow local regulations for the disposal of wood products.
- Do not incinerate the grips, as this may release harmful substances.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 Exotic Wood Grips, please reach out to the designated EU contact point provided by the manufacturer.

By following these safety instructions, you can ensure the safe and effective use of your 1911 Exotic Wood Grips. Thank you for your attention to these important guidelines.
