# Safety Instruction Guide for 1911 Checkered Government Model Magwell Mainspring Housings

## Introduction

Thank you for purchasing the Fusion Firearms 1911 Checkered Mainspring Housing MagWell. This guide provides important safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe operation and compliance with safety standards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure that the area is safe before handling the firearm.
- Always wear appropriate protective gear, including eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing the mainspring housing.
- Only use compatible models as specified in the product specifications.
- Avoid using excessive force during installation to prevent damage to the product or firearm.
- Ensure that the set screw is securely tightened after installation to prevent movement during use.
- Do not modify the product in any way, as this may compromise safety and performance.
- If you are inexperienced with firearms, seek assistance from a qualified professional for installation and usage.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver for the set screw.

#### 2. Remove the Old Mainspring Housing

- Carefully remove the existing mainspring housing from the firearm, following the manufacturer's instructions.

#### 3. Install the New Mainspring Housing

- Align the new Fusion Firearms Mainspring Housing with the frame of the firearm.
- Insert the housing into place, ensuring it fits snugly.

#### 4. Secure the Housing

- Use the screwdriver to tighten the set screw securely.
- Doublecheck that the housing is firmly in place and does not move.

## Usage

- After installation, conduct a function check to ensure proper operation.
- Always follow safe handling practices when using the firearm.
- Regularly clean and maintain the mainspring housing to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the mainspring housing is damaged beyond repair, consult local waste management guidelines for proper disposal.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please contact the manufacturer's customer support. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure safe and effective use of the Fusion Firearms 1911 Checkered Mainspring Housing MagWell. Always prioritize safety and do not hesitate to seek professional advice when needed.
