Safety Instruction Guide for Fusion Firearms 1911 3Hole Triggers

Introduction

Thank you for choosing the Fusion Firearms 1911 3Hole Trigger. This guide provides essential safety instructions and information to ensure the safe use, installation, and disposal of your new product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the trigger is compatible with your specific 1911 model before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the trigger in a secure location away from children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage before each use.
- If you experience any issues with the trigger, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Do not modify the trigger beyond the manufacturer's specifications.
- Only use the trigger with firearms that are in good working condition.
- Keep your fingers clear of the trigger when loading or unloading the firearm.
- Ensure that the firearm is pointed in a safe direction at all times during use.
- Use appropriate protective gear, such as safety glasses and hearing protection, when firing.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and the safety is engaged.
- Gather necessary tools, including the adjustment screw and wrench provided with the trigger.

2. Installation:

- Remove the existing trigger from your 1911 pistol.
- Align the Fusion Firearms 1911 3Hole Trigger in the trigger slot.
- Secure the trigger using the provided adjustment screw.
- Adjust the trigger bow for a proper fit in your frame.

3. Adjustment:

- Use the included wrench to make adjustments to the trigger's pull weight and length as needed.
- Test the trigger to ensure it operates smoothly and safely before use.

4. Usage:

- After installation, ensure the trigger functions correctly by performing a function check.
- Follow all standard firearm safety practices during operation.

Disposal Instructions

- Dispose of the trigger and any associated materials in accordance with local regulations.
- Ensure that the trigger is rendered unusable before disposal to prevent unauthorized use.
