# Safety Instruction Guide for 1911 KHOLE Triggers by Fusion Firearms

## Introduction

Thank you for choosing the 1911 KHOLE Trigger by Fusion Firearms. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your trigger. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the trigger is compatible with your specific model of 1911 pistol.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting parts.
- Keep all firearms and firearm parts out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the trigger only in accordance with the manufacturer's instructions.
- Do not modify the trigger beyond the recommended adjustments.
- Ensure the firearm is pointed in a safe direction at all times during installation and usage.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver for adjustments.

### 2. Installation

- Remove the existing trigger from your 1911 pistol following the manufacturer's guidelines.
- Install the 1911 KHOLE Trigger by aligning it with the trigger bow and securing it in place.
- Adjust the trigger bow as needed to achieve a proper fit within your frame.

### 3. Adjustment

- Use the adjustment screw to modify the trigger pad according to your preference.
- Test the trigger pull to ensure it meets your comfort and safety standards.
- Make sure all adjustments are secure before using the firearm.

### 4. Testing

- After installation, conduct a function check to ensure the trigger operates correctly.
- If any issues arise, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of any old or damaged firearm parts in accordance with local regulations.
- Ensure that all components are rendered unusable before disposal to prevent accidents.
