

RUGER AMERICAN BRN-1 PRECISION CHASSIS - BROWNELLS

RUGER AMERICAN LONG ACTION CHASSIS MATTE BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Brownells Ruger American BRN-1 Chassis system is designed to provide an enhanced rifle setup for owners of a number of popular rifle actions. Manufactured by MDT, the chassis is developed exclusively for Brownells and is inspired by the design of MDT's LSS rifle chassis. A great option for precision long range shooters looking to upgrade their stock rifle. The BRN-1 Chassis system is set up to accept an AR-style buffer tube, allowing access to the incredible aftermarket of AR-15 buttstock accessories. The chassis also allows for the use of AR-style pistol grips, ensuring that owners can customize their rifles in any number of ways. The chassis is constructed from 6061 aluminum and features a V-shaped bedding system that accommodates most heavy barrels. The bedding system ensures that rifle barrels are free-floated for maximum accuracy. Available in black and flat dark earth Forend features M-LOK attachment points Maximum recoil-lug compatibility is .350-inch Compatible with AICS pattern magazines

Safety Instruction Guide for the RUGER AMERICAN BRN1 PRECISION CHASSIS

Introduction

Thank you for choosing the Brownells Ruger American BRN1 Precision Chassis. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe handling of the chassis and associated rifle components.
- Be aware of potential hazards related to the use of firearms and firearm accessories.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the chassis and any firearms securely to prevent unauthorized access.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as eye and ear protection, when operating firearms.
- Ensure that the chassis is compatible with your specific rifle model before installation.
- Do not exceed the manufacturer's recommended specifications for barrel weight and length.
- Avoid using the chassis in wet or damp conditions to prevent corrosion.
- Do not modify the chassis or use it in any way that is not intended by the manufacturer.
- Be cautious of sharp edges on the chassis during installation and handling.

Instructions for Installation and Usage

1. Preparation

- Ensure all tools required for installation are available.
- Clear the area of any obstructions and ensure a safe working environment.

2. Installation Steps

- Remove the existing stock from your Ruger American Long Action rifle.
- Align the chassis with the action of the rifle, ensuring proper fit.
- Secure the chassis to the rifle action using the provided screws and tools, following the manufacturer's torque specifications.
- Install an ARstyle buffer tube if desired, ensuring it is properly secured.
- Attach the desired ARstyle buttstock and pistol grip, confirming compatibility with the chassis.

3. Usage

- Once installed, check that all components are securely fastened before use.
- Familiarize yourself with the chassis features, including MLOK attachment points for accessories.
- Ensure that the rifle is properly sighted and calibrated for accuracy before engaging in shooting activities.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Instead, consider recycling options for aluminum materials.
- Ensure that any firearms or ammunition are disposed of safely and legally.

Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or product support, please reach out to your local retailer or the manufacturer directly. They can provide additional assistance and information as needed.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Brownells Ruger American BRN1 Precision Chassis. Thank you for your commitment to safety.
