

6.5MM 140GR ACCUBOND BULLETS - NOSLER 6.5MM (.264") 140GR ACCUBOND 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Through an exclusive bonding process that eliminates voids in the bullet core, Accubond 6.5mm 140 grain bullets couple Nosler's proven copper-alloy jacket with its special lead-alloy core. The result is a bullet that flies true, penetrates deep, and retains its weight, without causing extensive barrel fouling. Unique white polymer tip Tapered copper-alloy jacket Lead-alloy core Proprietary bonding process Boat-tail design

Consumer Safety Instruction Guide for 6.5MM 140GR Accubond Bullets

Introduction

Thank you for choosing Nosler 6.5MM (.264") 140GR Accubond Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling and usage of these bullets. Please read this document carefully to understand the safety measures associated with this product.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Inspect bullets for any signs of damage or defect before use.
- Always use appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Never attempt to modify or disassemble bullets.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care to avoid accidental discharge.
 - Do not point the bullets at yourself or others, even when not in use.
- **Loading:**
 - Follow the manufacturer's instructions for loading bullets into your firearm.
 - Ensure that the firearm is pointed in a safe direction when loading.
- **Firing:**
 - Only fire bullets in firearms that are specifically designed for the caliber and type of bullet.
 - Be aware of your surroundings and ensure a safe backdrop before firing.
- **Storage:**
 - Store bullets in their original packaging until ready for use.
 - Use a locked container or safe for storing ammunition to prevent unauthorized access.
- **Disposal:**
 - Follow local regulations for the disposal of unused or damaged bullets.
 - Do not dispose of bullets in regular trash; contact local authorities for proper disposal methods.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is clean and free of obstructions before installation.
 - Check that the bullet is the correct caliber for your firearm.
 - Load the bullet into the chamber according to the firearm's manual.

- **Usage:**

- Always maintain a proper shooting stance and grip on the firearm.
- Keep your finger off the trigger until you are ready to fire.
- After firing, ensure that the firearm is cleared and safe before handling further.

Disposal Instructions

- Unused or damaged bullets should be disposed of according to local regulations.
- Contact your local law enforcement agency or hazardous waste disposal service for guidance on safe disposal methods.
- Do not attempt to disassemble or destroy bullets yourself.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of Nosler 6.5MM (.264") 140GR Accubond Bullets, please refer to the manufacturer's website or customer service resources for assistance.

Remember, safety is a shared responsibility. By following these guidelines, you contribute to a safer environment for yourself and others. Thank you for your attention to these important safety measures.
